The following elements have been revised since the Annual Plan effective July 1, 2016 was submitted:

Financial Resources

The chart below contains estimated financial resources for administration of programs and Public Housing Capital expenditures for the Annual Plan year 2017-18:

Public Housing Operating Fund	\$771,829
Public Housing Capital Fund	\$377,834
Annual Contribution for Section 8 Tenant-Based Assistance	\$28,126,626
Resident Opportunity and Self-Sufficiency Grants	\$60,491
Public Housing Dwelling Rental Income	\$1,091,532
Local Government Grants	\$260,723

Operation and Management

EHA will develop a cost-effective plan to digitize all client files, and to the greatest extent possible, eliminate the use of paper in the administration of its housing programs.

EHA will develop a competitive application to become a Moving to Work housing authority, allowing the agency to design and implement more cost-effective policies and procedures in the administration of its housing programs.

EHA will continue to develop and administer surveys of HCV and other housing program participants, using the survey data to develop plans and strategies to improve its customer service.

EHA will review its Limited English Proficiency (LEP) Plan and update as necessary over the course of the 2017-18 Plan year.

EHA has revised its HCV Administrative Plan in order to:

- Comply with HUD’s recently published Final Rule regarding the 2013 reauthorization of the Violence Against Women Act (VAWA).
- Ensure applicant screening policies related to criminal history are fair and consistent with HUD regulation.
- Comply with any self-implementing provisions of HOTMA.

- Comply with any other mandatory program changes required by HUD.

These changes are available for public review, in conjunction with the Annual Plan review process, and will be effective May 1, 2017. EHA will also review the Public Housing Admissions and Occupancy Policy and make any required changes over the course of the 2017-18 Plan year.

EHA is developing new procedures related to the management and eradication of bedbugs in all of its housing developments, including Public Housing.

Community Service and Self-Sufficiency Programs

The Family Self-Sufficiency program continued to expand its number of participants and scope of services over the course of the 2016-17 Plan year. Over half of the more than 70 participants enrolled are depositing funds into an escrow account, based on progressive increases to earned income or new income. Regular self-sufficiency programming is also offered to EHA residents through the ROSS program. The FSS and ROSS programs include goal setting, financial literacy classes, homeownership, and employment skills training as part of their curriculums, based on the assessed needs of individual participants. We currently have ROSS funds through December 2017, coinciding with the planned disposition of our remaining public housing developments.

Going forward, EHA will evaluate its FSS Program, identifying areas that need improvement, as well as potential funding sources.

Safety and Crime Prevention

EHA will not revise current policies or protocols for ensuring the safety of its public housing residents over the course of the 2017-18 fiscal year. The agency will remain attentive to the needs of applicants, program participants, and their respective family members who are victimized by all forms of domestic violence, including stalking and dating violence. The Public Housing, Section 8 HCV, and RAD PBV programs have enacted policies that protect the rights of both applicants and participants affected by domestic violence. When it can be shown that criminal activity or lease violations are related to domestic violence perpetrated against victims and their families, such individuals will not be disqualified for admission or have their assistance terminated.

Everett Housing Authority refers victims of domestic violence to appropriate legal and social service agencies, including but not limited to: the police department, the court system (for restraining orders), Northwest Justice Project (offers legal aid for low income individuals), Domestic Violence Services of Snohomish County, Pathways for Women. The Housing Authority operates Pivotal Point Apartments, a 20 unit project-based Section 8 development for victims of domestic violence, in partnership with DVS of Snohomish County,

Asset Management

EHA has submitted a Section 18 application to HUD for the disposition of the Baker Heights property, having determined that the cost of renovation would exceed 80% of replacement cost. In addition, EHA has also submitted a Section 18 application for the disposition its 44 Public Housing Scattered Sites. Proceeds from the sale of the Scattered Sites will go towards the purchase of other affordable housing and allowable uses of such proceeds.

It is EHA's intent to replace each of these units one for one over time. This includes a proposed 60-unit tax credit development supported with project-based vouchers on part of the current Baker Heights site. The remainder of the units will be replaced with project-based subsidies in properties that EHA plans to acquire within the next five years as well as project-based assistance in existing housing and new developments owned by other nonprofit and for-profit property owners.

Deconcentration Policy

EHA's deconcentration policy for its Public Housing developments is located in the following section of the Public Housing Admissions and Occupancy Policy:

12.3 Deconcentration of Poverty and Income Mixing

- A. The EHA's admission policy is designated to provide for de-concentration of poverty and income-mixing by bringing higher income residents into lower income developments and lower income residents into higher income developments.
- B. Gross annual income is used for income limits at admission and for income-mixing purposes.
- C. Skipping of a household on the waiting list specifically to reach another household with a lower or higher income is not to be considered an adverse action to the household. Such skipping will be uniformly applied until the target threshold is met.
- D. The EHA will use the gathered resident incomes information in its assessment of its public housing developments to determine the appropriate designation to be assigned to the project for the purpose of assisting the EHA in its de-concentration goals.

The following elements have been revised since the Annual Plan effective July 1, 2016 was submitted:

Hope VI or Choice Neighborhoods

Although its application for the Choice Neighborhoods Initiative Planning Grant encompassing Baker Heights (WA006 00 100) and the immediate neighborhood was unsuccessful, EHA hopes to refocus efforts on a Transformation Plan, applicable to a Choice Neighborhoods Implementation Grant (if available). Baker Heights is a 244-unit, 14.3-acre, 71-year-old family development with renovations costs that exceed 80 percent of replacement costs. It is located in Everett's northeast community known as the Delta Neighborhood. The Choice Neighborhoods planning area will include Baker Heights and a number of EHA's properties, as well as a new four-year university that is currently under construction. This planning area has a poverty rate that exceeds 40 percent.

Demolition and/or Disposition

A Section 18 application for the disposition of Baker Heights (WA006 000 100), a 244 unit housing development, has been submitted to HUD. EHA has also submitted a Section 18 application for the disposition of 41 of the 44 Public Housing Scattered Sites (WA006 00 600, WA006 000 800). EHA hopes to preserve the six-bedroom units for affordable housing use due to the demand for and low supply of such units in the market.

Contingent on HUD's approval of its Section 18 applications for the disposition of Baker Heights and the Public Housing Scattered Sites, EHA will engage in the closeout activities that will end its participation in the Public Housing program, as enumerated in HUD Notice PIH 2016-23. This will include the submission of a Retention Application for the Colby administrative office and the Wiggums Hollow Ballfield, non-dwelling use properties now under the ACC Project Number and Declaration of Trust for Baker Heights. EHA intends to retain both properties upon termination of Public Housing ACC contract, in accordance with the terms of HUD Notice PIH 2016-20.

Project-Based Vouchers

When the Housing Opportunities Through Modernization Act (HOTMA) is implemented by regulation, EHA plans to expand its Project-based Voucher Program by up to 750 vouchers, partnering with other agencies, organizations, and the City of Everett, to provide project-based assistance and related supportive services for the homeless and other vulnerable populations. In 2016, EHA issued an RFP for up to 130 PBVs and made commitments to three projects in the City of Everett, including a project that will serve chronically homeless individuals, a transit-oriented development focusing on self-sufficiency services to homeless individuals and families, and a facility that serves homeless youth.

Progress Report – 5 Year Plan Goals and Objectives	
Goal One: Enhance our communities and provide our customers the highest quality housing and related services using public resources in the most efficient and responsible manner through the efforts of an engaged work force with high job satisfaction levels.	
<i>Objectives</i>	Progress By Annual Plan Year
<p>1. Implement feedback systems to improve customer satisfaction and become a more responsible community partner.</p>	<p style="text-align: center;"><u><i>Year 1, Beginning July 1, 2015</i></u></p> <p>The Housing Choice Voucher (HCV) Department tested an Email-based customer service feedback survey, which was implemented in the second quarter of CY 2016.</p>
	<p style="text-align: center;"><u><i>Year 2, Beginning July 1, 2016</i></u></p> <p>Individual members of the HCV Management Team have attended community stakeholder meetings that align with their respective areas of expertise/focus, as a way to build relationships with community partners.</p> <p>Housing Management administered a customer satisfaction survey to Public Housing tenants in November 2016. 90% of responding tenants expressed satisfaction with EHA’s services. Community meetings were held in spring and fall of 2016 to inform residents about the upcoming Baker Heights and Public Housing Scattered Sites disposition and elicit their feedback.</p>
<p>2. Create recruitment and professional development strategies and plans aimed at enhancing organizational health in order to sustain long-term commitment to and success in achieving our mission.</p>	<p style="text-align: center;"><u><i>Year 1, Beginning July 1, 2015</i></u></p> <p>After analyzing EHA’s recruitment process, management has continued to explore technological solutions as a way to streamline the candidate selection process.</p> <p>In the first year of the 5 Year Plan, management provided training opportunities to a cross-section of EHA staff, resulting in job related certifications and increase overall job competency. Beginning the first quarter of 2016, EHA will implement YARDI e-learning modules, creating a uniform system for employee training.</p>
	<p style="text-align: center;"><u><i>Year 2, Beginning July 1, 2016</i></u></p> <p>EHA began using web-based platform Hire Mojo for job postings and recruitment. This significantly expands the number of potential candidates for open positions, ranking them by score on a skills/background questionnaire. Hire Mojo also simplifies the testing and interviewing process, eliminating the time and cost of follow up phone calls and correspondence in the process.</p>

	<p>In 2016 EHA began using Skill Survey, a web-based service for completing reference checks on potential hires. This service uses email as the medium for conducting reference checks rather than the telephone, which is an immense time saver. The reference check process now takes just moments to navigate, and reduces the turnaround time in receiving completed references. This system also results in more candid and helpful responses.</p> <p>The Housing Management department upgraded its job candidate testing and interview panel questions during this period.</p>
<p>3. Develop internal systems, including auditing and other performance management tools, resulting in higher levels of public trust and investor confidence.</p>	<p style="text-align: center;"><u><i>Year 1, Beginning July 1, 2015</i></u></p> <p>The Finance Director took a certification class on COSO internal controls and is writing an internal control policy for the agency, in accordance with Green Book standards. A performance-based bonus system for employees was also implemented during year one of the 5 Year Plan.</p> <p style="text-align: center;"><u><i>Year 2, Beginning July 2, 2016</i></u></p> <p>The Housing Choice Voucher (HCV) department has implemented an internal auditing system as a way to improve its performance in administering the HCV program. Managers are responsible for two client file audits per week, and Certification Specialists must complete two peer audits of client files each week. Audit results have become a key performance evaluation criterion as well as one of the bases for incentive rewards.</p> <p>The HCV department has implemented monthly "Same Page" trainings and round table discussions to address topics that arise from internal audits and questions posed by staff over the course of day to day operations.</p> <p>The Housing Management department implemented a new housing operations matrix designed to measure rent collections, timeliness completing annual recertifications, and occupancy percentages. Additionally, it has rolled out an internal client file auditing plan and related training schedule.</p>
<p>4. Continue as a high performer under HUD's performance management systems and audits.</p>	<p style="text-align: center;"><u><i>Year 1, Beginning July 1, 2015</i></u></p> <p>The HCV program was designated a "standard performer" for the FY 2015 SEMAP. Management has since created a temporary HCV Auditor position, responsible for auditing 100% of client annual recertifications, in order to ensure next year's SEMAP score falls within the "high performer" range.</p> <p>The Housing Management department will audit 100% of PBV and</p>

	<p>Public Housing move-ins and annual certifications in the second quarter of 2016. The results of these audits will form the basis for a compliance training curriculum.</p> <p style="text-align: center;"><u><i>Year 2, Beginning July 2, 2016</i></u></p> <p>The HCV program was designated a “standard performer” for the FY 2016 SEMAP. The HCV department hired a full-time auditor for 6 months, who was able to audit about 60% of all participant files. Staff and manager files audits have indicated steady performance improvements that EHA hopes will lead to high performer status.</p> <p>The Public Housing program received a “high performer” rating for the FY 2016 PHAS.</p>
<p>Goal Two: Utilize the federally funded program resources (Housing Choice Voucher Program and Public Housing) to maximize the number of extremely low income households served with these scarce resources.</p>	
<p><i>Objectives</i></p>	<p><i>Progress By Annual Plan Year</i></p>
<p>1. Achieve 100% voucher and budget utilization annually.</p>	<p style="text-align: center;"><u><i>Year 1, Beginning July 1, 2015</i></u></p> <p>The HCV program ended CY2015 utilizing 97.6% of its unit months and 100% of budget authority, with additional contributions from HUD to make up shortfall costs.</p> <p style="text-align: center;"><u><i>Year 2, Beginning July 1, 2016</i></u></p> <p>The HCV program ended CY2016 utilizing 101.7% of its unit months and 100% of budget authority, with additional contributions from EHA funds as well as HUD to make up the difference in cost between total and allowable HAP costs (EHA funds) and between allowable costs and budget authority (HUD shortfall funding).</p>
<p>2. Develop and implement appropriate admissions and occupancy policies.</p>	<p style="text-align: center;"><u><i>Year 1, Beginning July 1, 2015</i></u></p> <p>The HCV department trained staff and implemented a revised Administrative Plan that was adopted effective May 1, 2015. Policy changes included updates to admissions and occupancy standards: e.g., an increase to the percentage of gross monthly rent (from 30 to 50%) an applicant must expend towards rent and utilities to be considered “rent burdened” and qualify for a wait list preference.</p>

	<p align="center"><u>Year 2, Beginning July 1, 2016</u></p> <p>In accordance with HUD’s new criminal history screening guidance, the Public Housing applicant screening process is being reviewed to determine whether any changes are needed. The applicable sections of the ACOP will be revised within the Plan year, if necessary.</p>
<p>3. Implement policies and operational procedures to minimize lease-up times.</p>	<p align="center"><u>Year 1, Beginning July 1, 2015</u></p> <p>The HCV department plans to implement “Rent Cafe PHA,” an Internet portal for applicants, in early 2016. This will streamline the paperwork process for new admissions and allow staff to determine applicant eligibility more efficiently.</p> <p align="center"><u>Year 2, Beginning July 1, 2016</u></p> <p>A key change that resulted in success beyond expectation during this period was the implementation of protocol that made an inspector available within 24 hours of receipt of a Request for Tenancy Approval. The HCV department anticipates that it will issue tenant-based Vouchers in early 2017 and will utilize Rent Café PHA to accelerate the process.</p> <p>The Housing Management department formulated targets for the maintenance team to decrease unit turn times and for the leasing team to re-rent the unit. Occupancy of former (RAD) and current public housing properties at the end of CY2016 was 99.5%.</p>
<p>4. Implement policies and procedures that control HAP and administrative costs to serve as many households as possible.</p>	<p align="center"><u>Year 1, Beginning July 1, 2015</u></p> <p>The revised HCV Administrative Plan effective May 1, 2015 updated occupancy standards to two persons per bedroom, a policy change that was intended to reduce HAP costs and maximize the number of households served. HUD’s decision to increase FMRs twice since then has negated the impact of this policy change, as EHA has been required to implement corresponding increases to its HCV program payment standards.</p> <p>In order to make up a shortfall in HUD’s funding through the end of CY 2015, EHA established a local Voucher program financed with administrative reserves. By using “Rent Café PHA” and other streamlining measures planned for implementation before the end of the first year of the 5 Year Plan, administrative costs for the HCV program are expected to decrease.</p>

	<p align="center"><u><i>Year 2, Beginning July 1, 2016</i></u></p> <p>HCV has set the payment standards at the lowest allowed by current regulations, 90% of the FMR. HCV is evaluating the newly enacted rules around Small Area FMR's to determine if implementation would reduce costs and increase opportunity for participants to reside in lower poverty areas with access to better performing public schools, transportation, and employment opportunities.</p>
<p>Goal Three: Reposition the remainder of EHA's Public Housing to ensure long-term availability of the resource to the community.</p>	
<i>Objectives</i>	<i>Progress By Annual Plan Year</i>
<p>1. Develop and seek approval of a Section 18 Demolition/Disposition application or a RAD Conversion Plan for Baker Heights.</p>	<p align="center"><u><i>Year 1, Beginning July 1, 2015</i></u></p> <p>EHA completed the historical and environmental review components of the Section 18 application, and held an initial informational meeting with residents of Baker Heights.</p>
	<p align="center"><u><i>Year 2, Beginning July 1, 2016</i></u></p> <p>As of December 2016 EHA had completed the prerequisite activities associated with a Section 18 disposition application for Baker Heights: an environmental review, community meetings, and consultation with local government officials – and submitted the application by month's end.</p>
<p>2. Create a transformation plan for Baker Heights and the surrounding neighborhood consistent with the City of Everett's Consolidated Plan through a collaborative process with the city and stakeholder groups.</p>	<p align="center"><u><i>Year 1, Beginning July 1, 2015</i></u></p> <p>Ongoing meetings with the City of Everett and Washington State University have been held to discuss the potential sale of Baker Heights to WSU.</p>
	<p align="center"><u><i>Year 2, Beginning July 1, 2016</i></u></p> <p>EHA collaborated with the City of Everett on a Choice Neighborhoods Initiative (CNI) Planning Grant, intended to fund early activities and planning efforts related to a transformation plan for Baker Heights and the surrounding neighborhood. Although this grant was not awarded, the grant writing process identified community stakeholders from a variety of sectors -- education, healthcare, business, and recreation – that EHA will work with in the future, as new funding opportunities for a transformation plan arise. EHA has also dedicated one of its</p>

	<p>senior management staff to head up future efforts of this kind.</p>
<p>3. Develop a financing strategy for the above-referenced transformation plan, including Choice Neighborhoods Initiative planning and implementation grants and other available resources.</p>	<p style="text-align: center;"><u><i>Year 1, Beginning July 1, 2015</i></u> A consultant has been employed to assist with the application process for a Choice Neighborhoods Initiative grant.</p> <p style="text-align: center;"><u><i>Year 2, Beginning July 1, 2016</i></u> Although EHA’s application for the CNI Planning Grant was not successful, the agency has continued to investigate other funding opportunities, including a Choice Neighborhoods Transformation grant if available, that will allow it to execute the transformation plan for the Baker Heights neighborhood. EHA also may use a portion of the sale proceeds from the disposition of Baker Heights and the Scattered Sites for community improvement activities. EHA is expecting to pursue the tax credit resyndication process for 12 Pines at the beginning of calendar year 2017. This will provide funding, via tax credit bonds and construction loans, for the renovation of this 80 unit complex in the core of the Delta Neighborhood. In addition, EHA will begin planning for a 9% tax credit application for a new 60-unit development on part of the Baker Heights property as part of the transformation plan.</p>
<p>4. Implement the RAD conversion plan for the Public Housing scattered sites to preserve the availability of this resource for households with high economic need.</p>	<p style="text-align: center;"><u><i>Year 1, Beginning July 1, 2015</i></u> EHA is in the process of completing a Section 18 application for the disposition of its Public Housing Scattered Sites, rather than pursuing a RAD conversion plan for these units, as the former option has been deemed more cost effective.</p> <p style="text-align: center;"><u><i>Year 2, Beginning July 1, 2016</i></u> EHA has done the environmental review and public meeting and governmental consultation associated with the Section 18 Plan for the Public Housing Scattered Sites. EHA is committed to disposing of these properties as they continue to age and ultimately become nonviable, due to insufficient Capital Funding under the Public Housing Program. EHA will utilize a significant portion of the proceeds from sale of these properties for replacement affordable housing.</p>
<p>Goal Four: EHA will improve and expand partnerships through project-basing of Housing Choice Vouchers to increase housing choices for families and individuals.</p>	
<p>Objectives</p>	<p>Progress By Annual Plan Year</p>

<p>1. Maximize the percentage of existing Housing Choice Voucher Program resources that can be used as project-based assistance.</p>	<p><u><i>Year 1, Beginning July 1, 2015</i></u> If pending legislation (HR 3700) is enacted, EHA will move to increase its Project-based Vouchers (PBVs) to the revised maximum level permitted under budget authority. Additional PBVs may be utilized in partnership with the City of Everett’s Community Streets Initiative, to provide supportive services for the chronically homeless.</p>
	<p><u><i>Year 2, Beginning July 1, 2016</i></u> EHA issued an RFP for PBVs to support up to 130 new affordable housing units in the City of Everett, including 70 Housing First units. Lease-up of these units in 2018 will maximize the percentage of HCV budget authority that can be allocated to PBV assistance. The Housing Opportunity Through Modernization Act (HOTMA) was signed into law in July 2016. EHA is awaiting further guidance from HUD before implementing any of this law’s new provisions. If this includes an increase to the number of units that can be placed under the Project Based Voucher (PBV) program, EHA intends to increase its allocation of PBVs.</p>
<p>2. Pursue additional vouchers that may be available for this purpose.</p>	<p><u><i>Year 1, Beginning July 1, 2015</i></u> In the event Tenant Protection Vouchers associated with the disposition of Baker Heights or the Scattered Sites under Section 18 are available before the end of year one, EHA will seek a corresponding increase to its PBV inventory, up to the maximum allowed by budget authority.</p>
	<p><u><i>Year 2, Beginning July 1, 2016</i></u> There was no opportunity to pursue additional Vouchers over the course of this Plan Year.</p>
<p>3. Partner with other housing authorities that are willing to project-base vouchers in EHA’s jurisdiction.</p>	<p><u><i>Year 1, Beginning July 1, 2015</i></u> EHA is in the process of exploring this option with Tacoma Housing Authority.</p>
	<p><u><i>Year 2, Beginning July 1, 2016</i></u> EHA is awaiting further guidance from HUD regarding the implementation of HOTMA before further exploring this idea.</p>
<p>4. Cultivate additional partners who can create housing options for households who need intensive support services to succeed as tenants.</p>	<p><u><i>Year 1, Beginning July 1, 2015</i></u> EHA has continued to seek out partners, including the City of Everett’s Community Streets Initiative, to find housing solutions for the city’s homeless, thereby reducing consumption of emergency services (911, EPD, EFD) by this population.</p>

	<p align="center"><u>Year 2, Beginning July 1, 2016</u></p> <p>EHA awarded Project Based Vouchers for new construction projects over the course of this period. This included up to 70 units for chronically homeless, up to 56 units for homeless who are seeking employment, and 8 units for homeless young adults.</p>
<p>5. Increase the availability of subsidized housing options for the growing elderly population in Snohomish County.</p>	<p align="center"><u>Year 1, Beginning July 1, 2015</u></p> <p>EHA has expanded its housing options for the elderly by orchestrating the transfer of HUD 202 housing formerly in the control of Senior Services of Snohomish County during Year One of the 5 Year Plan.</p> <hr/> <p align="center"><u>Year 2, Beginning July 1, 2016</u></p> <p>EHA further expanded its housing options for the elderly by acquiring Pepperwood, the last holding in the portfolio formerly owned by Senior Services of Snohomish County, at the beginning of this period. With this acquisition, EHA has expanded its housing opportunities for the elderly by over 700 units.</p>
<p>6. Provide opportunities for extremely low income households to live in mixed income communities with access to good schools and other amenities.</p>	<p align="center"><u>Year 1, Beginning July 1, 2015</u></p> <p>EHA is in the process of working with a consultant to complete a Choice Neighborhoods Initiative grant application as a means to achieve this objective.</p> <hr/> <p align="center"><u>Year 2, Beginning July 1, 2016</u></p> <p>The HCV Department is studying opportunities to increase mobility for our HCV participants. We have added a mobility briefing and will begin sharing this information with participants and new admissions in 2017. We are also exploring Small Area FMRs for this purpose and will coordinate EHA's plans in this regard with the Housing Authority of Snohomish County.</p>
<p>Goal Five: EHA will seek maximum flexibility from federal regulations and statutes in order to reduce program costs and meet local housing needs and priorities.</p>	
<p>Objectives</p>	<p align="center">Progress By Annual Plan Year</p>
<p>1. Seek waivers from federal regulations to streamline program operations, create and increase housing choices, and increase resident self-sufficiency.</p>	<p align="center"><u>Year 1, Beginning July 1, 2015</u></p> <p>Recent Federal legislation provides administrative relief for the HCV program, and management is waiting for HUD to issue directives on how this will be implemented.</p> <hr/> <p align="center"><u>Year 2, Beginning July 1, 2016</u></p> <p>EHA did not seek a waiver in regard to the administration of its housing programs in 2016-17.</p>

<p>2. Participate in the Moving to Work Demonstration or successor program to achieve greater cost effectiveness, increased housing choices, and economic independence for our clients.</p>	<p style="text-align: center;"><u><i>Year 1, Beginning July 1, 2015</i></u> EHA is in the planning stages of submitting an application for the Moving to Work (MTW) demonstration program, as this EHA objective is consistent with the Federal MTW statutory objectives.</p> <p style="text-align: center;"><u><i>Year 2, Beginning July 1, 2016</i></u> EHA will develop a competitive MTW application.</p>
<p>3. Pursue other avenues, including but not limited to, the creation of an EHA affiliate (or affiliates) to achieve greater flexibility and reduced costs.</p>	<p style="text-align: center;"><u><i>Year 1, Beginning July 1, 2015</i></u> EHA implemented a local voucher program at the end of 2015 to make up a funding shortfall for Vouchers through the end of CY 2015.</p> <p style="text-align: center;"><u><i>Year 2, Beginning July 1, 2016</i></u> EHA is awaiting new HOTMA implementing regulations to explore the full benefits of its streamlining provisions.</p>
<p>Goal Six: Cultivate successful tenancies and reduce long-term dependence on subsidized housing.</p>	
<p>Objectives</p>	<p style="text-align: center;">Progress By Annual Plan Year</p>
<p>1. Pursue local, state, and federal grants and other financial resources to support strategies designed to achieve these two objectives.</p>	<p style="text-align: center;"><u><i>Year 1, Beginning July 1, 2015</i></u> The Resident Services Department was awarded a grant for AmeriCorps volunteers to assist the regular and contracted service coordinators for 2015-16. Resident Services plans to request twice as many AmeriCorps volunteers in its 2016-17 grant application.</p> <p style="text-align: center;"><u><i>Year 2, Beginning July 1, 2016</i></u> The Resident Services Department was successful in meeting this objective with hiring 6 AmeriCorps members for more than 6 of our housing properties serving both families and senior residents.</p>
<p>2. Develop and implement appropriate housing management policies and procedures.</p>	<p style="text-align: center;"><u><i>Year 1, Beginning July 1, 2015</i></u> The Housing Management Department will contract with a consultant in January, 2016 to develop updated housing management policies and procedures.</p> <p>Housing Management and Resident Services outlined a procedure for coordinated efforts regarding tenant lease violations: i.e., 10 day notices will stipulate that tenants have the opportunity to cure violations by engaging with resident services to develop a plan to avoid lease termination.</p>

	<p align="center"><u><i>Year 2, Beginning July 1, 2016</i></u></p> <p>EHA has contracted with a consultant to streamline the leasing and housing program administration process by utilizing Yardi's document management capabilities. This consultant is also developing reports to enhance the monitoring of housing management performance.</p>
<p>3. Coordinate appropriate support services to complement the efforts of the property management staff as a means to minimize the number of lease terminations.</p>	<p align="center"><u><i>Year 1, Beginning July 1, 2015</i></u></p> <p>EHA will develop and implement a case tracking module within Yardi, the agency's program management software, which will facilitate communication between the Housing Management and Resident Services departments. This will increase the chance that residents receive the intervention or supportive services needed to stabilize their housing.</p>
	<p align="center"><u><i>Year 2, Beginning July 1, 2016</i></u></p> <p>EHA is finalizing the development of an application ("Case Tracker") in Yardi that will be used to document all staff interactions and service interventions with residents. The purpose of this application will be to facilitate appropriate service and other interventions by staff of different departments to address issues related to tenants who commit lease violations that may lead to evictions.</p>
<p>4. Continue implementing the Family Self-Sufficiency Program funded by Building Changes and secure financial support for the long-term success of this program (e.g., HUD FSS Coordination Grant).</p>	<p align="center"><u><i>Year 1, Beginning July 1, 2015</i></u></p> <p>The FSS program continues to be available to new participants, as ongoing participants consistently meet goals related to education, employment and income progression and graduate. HUD's FSS Coordination Grant remains closed to new applicants, so EHA will use alternate funding sources for its FSS Coordinator position upon the expiration of the Building Changes Grant.</p>
	<p align="center"><u><i>Year 2, Beginning July 1, 2016</i></u></p> <p>Upon expiration of the Building Changes grant, EHA elected to use its Authority resources to fund the FSS program in order to continue its mission to address long-term poverty and support families' efforts to become economically self-sufficient. EHA will apply for the HUD FSS Service Coordinator grant when it opens to new applicants.</p>

<p>5. Facilitate access to employment and employment-related services to increase (i) employment rates among residents, (ii) job retention, (iii) income progression, and (iv) transition to unsubsidized housing.</p>	<p style="text-align: center;"><u><i>Year 1, Beginning July 1, 2015</i></u></p> <p>The Resident Services department has continued to work closely with WorkSource Snohomish and private employers to provide job trainings and employment opportunities for EHA residents. It also coordinates educational opportunities and access to other resources to improve residents' employment skills, resulting in increased employment retention, income progression, and eventual self-sufficiency.</p> <p>In 2015 a total of 18 FSS program participants had active escrow accounts, based on increased earned income.</p>
	<p style="text-align: center;"><u><i>Year 2, Beginning July 1, 2016</i></u></p> <p>In 2016 a total of 21 new FSS program participants are enrolled. There are 2 new participants escrowing. In 2016 FSS participants enrolled in job training or education programs to increase their employability. We saw 2 families move out of subsidized housing from the FSS program using escrow funds to help start a new chapter in their family lives.</p>
<p>6. Divert applicants to programs and resources that provide short-term assistance to homeless households who need minimal support to access permanent unsubsidized housing through the demonstration funded by Building Changes.</p>	<p style="text-align: center;"><u><i>Year 1, Beginning July 1, 2015</i></u></p> <p>The demonstration program funded by Building Changes resulted in the following outcomes for 2015:</p> <ul style="list-style-type: none"> • 145 families were contacted, or referred elsewhere for more appropriate services. This included homeless families on EHA program wait lists, as well as walk-ins, or referrals from other agencies who were unable to provide services. The average cost per housed family was \$1,200. • 32 families with children obtained housing, or stabilized existing housing, using case management and health and safety funds. Of these, 14 supported families have been housed under EHA's HCV program (both tenant, and project-based).

	<p style="text-align: center;"><u>Year 2, Beginning July 1, 2016</u></p> <p>In 2016, 26 homeless families were served by EHA or other providers.</p> <p>10 families were able to secure new housing or stabilize their existing housing with the supportive services and health and safety funds from the Building Changes grant. Of these 10 families, 6 were housed with EHA vouchers. The rest were housed without a subsidy in affordable housing options.</p>
<p>7. Support the efforts of local public school districts and other programs in bolstering the academic success and access to higher education of our school-age residents.</p>	<p style="text-align: center;"><u>Year 1, Beginning July 1, 2015</u></p> <p>The Resident Services department partners with Everett Public Schools at Hawthorne Elementary, where it works closely with the administration and support team to provide access to excellent education programs for students. This includes on-site support with EHA’s AmeriCorps member, who serve 6 hours per week in classrooms with our higher risk youth, as well as after-school programs on our properties.</p> <p>EHA Service Coordinators have set a goal of 100% enrollment of all 7th and 8th grade residents into the College Bound Program.</p> <hr/> <p style="text-align: center;"><u>Year 2, Beginning July 1, 2016</u></p> <p>In keeping with a goal set last year, 100% of 7th and 8th grade residents are enrolled in the College Bound Program at one property. EHA has increased its school partnerships over the course of the 2016-17 school year. Our AmeriCorps members now serve limited hours in Hawthorne Elementary, North Middle and Explorer Middle schools to support academic success and as a bridge for school to home.</p>
