Provide a certification that the following plan elements have been revised, provided to the RAB for comment before implementation, approved by the PHA board, and made available for review and inspection by the public. This requirement is satisfied by completing and submitting form HUD-50077 CRT-SM, *PHA Certifications of Compliance with PHA Plan, Civil Rights, and Related Laws and Regulations Including PHA Plan Elements that Have Changed*. Form HUD-50077 CRT-SM, *PHA Certifications of Compliance with PHA Plan, Civil Rights, and Related Laws and Regulations Including PHA Plan Elements that Have Changed* must be submitted by the PHA as an electronic attachment to the PHA Plan. This includes all certifications relating to Civil Rights and related regulations. A PHA will be considered in compliance with the certification requirement to affirmatively further fair housing if the PHA fulfills the requirements of §§ 903.7(o)(1) and 903.15(d) and: (i) examines its programs or proposed programs; (ii) identifies any fair housing issues and contributing factors within those programs, in accordance with 24 CFR 5.154; or 24 CFR 5.160(a)(3) as applicable (iii) specifies actions and strategies designed to address contributing factors, related fair housing issues, and goals in the applicable Assessment of Fair Housing consistent with 24 CFR 5.154 in a reasonable manner in view of the resources available; (iv) works with jurisdictions to implement any of the jurisdiction's initiatives to affirmatively further fair housing that require the PHA's involvement; (v) operates programs in a manner consistent with any applicable consolidated plan under 24 CFR part 91, and with any order or agreement, to comply with the authorities specified in paragraph (o)(1) of this section; (vi) complies with any contribution or consultation requirement with respect to any applicable AFH, in accordance with 24 CFR 5.150 through 5.180; (vii) maintains records reflecting these analyses, actions, and the results of these actions; and (viii) takes steps acceptable to HUD to remedy known fair housing or civil rights violations.

impediments to fair housing choice within those programs; addresses those impediments in a reasonable fashion in view of the resources available; works with the local jurisdiction to implement any of the jurisdiction's initiatives to affirmatively further fair housing; and assures that the annual plan is consistent with any applicable Consolidated Plan for its jurisdiction. (24 CFR §903.7(o)).

C.4 Challenged Elements. If any element of the Annual PHA Plan or 5-Year PHA Plan is challenged, a PHA must include such information as an attachment to the Annual PHA Plan or 5-Year PHA Plan with a description of any challenges to Plan elements, the source of the challenge, and the PHA's response to the public.

D. Affirmatively Furthering Fair Housing (AFFH).

D.1 Affirmatively Furthering Fair Housing. The PHA will use the answer blocks in item D.1 to provide a statement of its strategies and actions to implement each fair housing goal outlined in its accepted Assessment of Fair Housing (AFH) consistent with 24 CFR § 5.154(d)(5) that states, in relevant part: "To implement goals and priorities in an AFH, strategies and actions shall be included in program participants' ... PHA Plans (including any plans incorporated therein) Strategies and actions must affirmatively further fair housing" Use the chart provided to specify each fair housing goal from the PHA's AFH for which the PHA is the responsible program participant – whether the AFH was prepared solely by the PHA, jointly with one or more other PHAs, or in collaboration with a state or local jurisdiction – and specify the fair housing strategies and actions to be implemented by the PHA during the period covered by this PHA Plan. If there are more than three fair housing goals, add answer blocks as necessary.

Until such time as the PHA is required to submit an AFH, the PHA will not have to complete section D., nevertheless, the PHA will address its obligation to affirmatively further fair housing in part by fulfilling the requirements at 24 CFR 903.7(o)(3) enacted prior to August 17, 2015, which means that it examines its own programs or proposed programs; identifies any impediments to fair housing choice within those programs; addresses those impediments in a reasonable fashion in view of the resources available; works with local jurisdictions to implement any of the jurisdiction's initiatives to affirmatively further fair housing that require the PHA's involvement; and maintain records reflecting these analyses and actions. Furthermore, under Section 5A(d)(15) of the U.S. Housing Act of 1937, as amended, a PHA must submit a civil rights certification with its Annual PHA Plan, which is described at 24 CFR 903.7(o)(1) except for qualified PHAs who submit the Form HUD-50077-CR as a standalone document.

This information collection is authorized by Section 511 of the Quality Housing and Work Responsibility Act, which added a new section 5A to the U.S. Housing Act of 1937, as amended, which introduced the 5-Year and Annual PHA Plan. The 5-Year and Annual PHA Plans provide a ready source for interested parties to locate basic PHA policies, rules, and requirements concerning the PHA's operations, programs, and services, and informs HUD, families served by the PHA, and members of the public of the PHA's mission, goals and objectives for serving the needs of low- income, very low- income, and extremely low- income families.

Public reporting burden for this information collection is estimated to average 7.02 hours per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. HUD may not collect this information, and respondents are not required to complete this form, unless it displays a currently valid OMB Control Number.

Privacy Act Notice. The United States Department of Housing and Urban Development is authorized to solicit the information requested in this form by virtue of Title 12, U.S. Code, Section 1701 et seq., and regulations promulgated thereunder at Title 12, Code of Federal Regulations. Key Accomplishments during Plan Year 2021-22

As it relates to 5 Year Plan Goal 1 -- Create 1,500 EHA-owned or supported housing units by 2030 primarily through new development:

- Began construction of 105 tax credit units on a 2.45-acre parcel of the Baker Heights neighborhood through a tax credit partnership, Everett Housing Legacy LLLP, to include 67 Project-Based Voucher (PBV) units designated for extremely low-income homeless families with children enrolled in Everett Public Schools.
- Initiated plans for a new mixed-income community, the Park District, on the remaining 12.33-acres of the Baker Heights site. This project will encompass as many as 1,500 residential units, parks, and other community amenities, all of which will be constructed in phases.
- Purchased adjacent parcels (3826 Rucker, 1311 39th St.) in Everett for the development of up to 150 units of senior housing.
- Authorized disposition of Royal Oakes, a 16-unit complex unencumbered by use restrictions or debt, the sale of which is anticipated to result in net proceeds of around \$1.5 million, which can potentially be leveraged through tax credits, debt, or public funding to acquire around 100 housing units.
- Began negotiations to purchase the 381-unit Huntington Park Apartments near Everett Mall with the goal of preserving the property as workforce housing.
- Explored the use of bond financing to generate a new source of development and acquisition funding, contingent on receiving a credit rating from Standard and Poor's.

As it relates to 5 Year Plan Goal 2 – Direct our resources towards creating diverse, healthy communities of opportunity where children and adults flourish:

- Executed a Moving to Work (MTW) Agreement with HUD in conjunction with EHA's selection to join the MTW Demonstration's rent reform study group.
- Began developing MTW program initiatives around EHA's vision of "thriving resident households," which will begin to be implemented in the upcoming Plan year. MTW's funding flexibilities will allow around \$4.5 million in Public Housing operating funds to be directed toward achieving EHA's strategic objectives.
- Began working with a team of graduate students from the Evans School of Public Policy and Governance at the University of Washington to develop an agency definition of communities of opportunity and identify those areas in our community, grounded in EHA's mission to replace systemic racism with equity for all.
- The Resident Services Department engaged in the following activities in conjunction with this goal:
 - Delivered lunches to vulnerable seniors and adults with disabilities at EHA properties in partnership with Homage Senior Services. Boxes of produce were also delivered to families at several properties in conjunction with the County's Nourishing Neighborhoods program up until August 2021, when residents communicated a decreased need for this resource.
 - Partnered with two local pharmacies to provide on-site flu shots at 12 properties in September 2021. Partnered with the Snohomish Health District to provide on-site Covid-19 vaccine boosters for more than 500 residents at 19 properties in November 2021.
 - Increased the FSS program's capacity by hiring a second FSS Coordinator, which will enable the addition of 35 new families to the program by June 2022. Over the course of the current Plan year, 12 families are anticipated to successfully graduate from the FSS program with a collective average escrow savings account of \$14,443. The expansion of FSS program resources will exhaust the FSS program waitlist for the first time in five years, and a new outreach effort is underway to recruit new families for participation in this program.
 - Reinstated plans to implement programs and strategies aligned with the results of a Community Health Survey administered in 2019, which were delayed over this time of remote work during the COVID pandemic.

As it relates to 5 Year Plan Goal 3 – A workplace where every employee is proud of their contribution to EHA’s mission.

- Administered a customer service survey across programs (HCV, Senior Properties, Family Properties) to measure resident and program participant levels of satisfaction with services provided by EHA staff during the second year of the COVID pandemic, when most staff were working remotely.
 - Customer satisfaction ratings averaged in the mid to high 90s, demonstrating the high level of professionalism and engagement by EHA employees during this challenging time.
- Adopted a Remote Work Policy enabling EHA employees to continue to work remotely up to full-time depending on position, in advance of staff returning to work in person (anticipated as March 1, 2022) after a lengthy period of most staff working remotely during the COVID pandemic.
 - During this time of remote work, EHA refined its remote work tools and processes so that employees were able to effectively perform their job duties and be proud of their contribution to EHA’s mission.
- Adopted a Financial Incentives Program to increase retention of current staff, reward staff who recruit external candidates for vacant EHA positions, and encourage existing staff to apply for and fill higher level vacant positions within the agency.
- Developed a new annual employee performance evaluation system -- based on feedback from a staff survey and assistance from a cross-departmental Performance Evaluation committee – to make it more objective and linked to agency values and goals.
- Continued to hold virtual Townhall Meetings during this time of remote work due to COVID that kept staff informed and engaged in carrying out the agency’s mission.

As it relates to 5 Year Plan Goal 4 – The race – as well as other physical or social characteristics or sexual orientation – of any client or staff will have no impact on how they fare in EHA’s programs or their potential in the organization:

- Adopted Juneteenth as an agency holiday, reflecting the agency’s commitment to make Diversity, Equity, and Inclusion an organizational imperative.
- Offered a required training on implicit bias to all EHA staff to increase staff awareness and tools to identify and mitigate these biases.
- Reinstated the Limited English Proficiency committee, which will develop an updated Language Access Plan and additional resources for the agency to better serve people with limited English proficiency.
- Developed tools and processes to help staff successfully handle racist actions by EHA tenants, either toward other tenants or toward EHA staff.
- Continued to partner with NAHRO, GARE, C3, and Leadership Snohomish County, to amplify and enhance DEI effectiveness.

EHA intends to undertake the following activities over the course of FY 2022-23:

Hope VI or Choice Neighborhoods

EHA is exploring the possibility of applying for a Choice Neighborhoods Implementation grant for the Baker Heights neighborhood over the course of Plan year 2022-23. EHA has not received a Planning grant but is currently engaged in a planning process for the neighborhood, referred to as the “Park District”, that is consistent with the vision of the Choice Neighborhoods Initiative.

Demolition and/or Disposition

EHA plans to begin demolition of remaining units in the Baker Heights neighborhood (WA 006 000 100) during calendar year 2022, subject to HUD approval, and may use Public Housing Capital Funds to finance part of the cost of this activity. This activity is in preparation for development of a new mixed-income community, the Park District, on the remaining 12.33-acres of the Baker Heights site. This new development will encompass as many as 1,500 residential units, parks, commercial spaces, and other community amenities to be built in phases.

Project-Based Vouchers

In conjunction with the ongoing construction of 105 tax credit units on a portion of the Baker Heights neighborhood (Baker Heights Legacy) through an affiliate, Everett Housing Legacy LLLP, EHA has executed an Agreement to Enter into a Housing Assistance Payments Contract (AHAP) for 67 Project-Based Voucher (PBV) units designated for extremely low-income homeless families with children in the McKinney-Vento program through Everett Public Schools. EHA also plans to provide 22 Project-Based Vouchers for Housing Hope’s Twin Lakes Landing II, housing designated for homeless families with children in the McKinney-Vento program.

EHA has submitted RAD confirmations of interest to HUD for a portfolio conversion of 9 HUD 202 PRAC properties to Project Based Vouchers and has submitted 8 of the 9 RAD applications to HUD. Conversions to PBV contracts are planned to occur from May 2022 to April 2023. There are a total of 369 PBV units at the following locations:

- 39 PBV units – Meadow Park - 1611 128th Street SW, Everett, WA
- 39 PBV units – Scriber Pointe - 19912 Scriber Lake Road, Lynnwood, WA
- 59 PBV units – Lake Woods - 12310 19th Place W, Everett, WA
- 39 PBV units – Evergreen Village - 12705 Avondale Way, Everett, WA
- 39 PBV units – Hawkins House - 9433 N Davies Road, Lake Stevens, WA
- 39 PBV units – Silver View - 11109 16th Avenue SE, Everett, WA
- 39 PBV units – Lynn Crest - 4629 194th Street SW, Lynnwood, WA
- 38 PBV units – Evergreen Court - 10809 16th Avenue SE, Everett, WA
- 38 PBV units – Village East - 864 Village Way, Monroe, WA

If HUD approves EHA’s RAD applications, EHA will receive 369 vouchers from HUD to project-base at the properties. Conversion of the HUD 202 PRAC portfolio to PBV contracts will ensure that the properties have sufficient funds available to address the capital needs of the properties over the long-term while maintaining ongoing rental assistance and support services for the residents to meet their needs.

Over the course of Plan year 2022-23 EHA may consider making other PBV commitments in support of its Five-Year Plan objective to target populations whose needs have either been neglected or will grow substantially in the next

Resident Advisory Board Comments on Proposed 2022-2023 Annual Plan

Everett Housing Authority (EHA) held a meeting of the Resident Advisory Board (RAB) on Wednesday, December 16, 2021, to receive comments and recommendations related to the development of the 2022-23 Annual Plan. This meeting took place via Zoom videoconference as an emergency measure to decrease the spread of the COVID-19 coronavirus. Residents and program participants who attended this meeting were appointed to the RAB.

The following EHA staff members attended the meeting: Wendy Westby (HCV Program Director), Steve Yago (Deputy Director of Development), Janinna Attick (Sr. Policy Analyst), Chris Neblett (Hearing Officer/Admin Coordinator)

The following RAB members attended the meeting:

Broadway Plaza (PBV program): Risa Meinke, Pedro Reyes-Sanchez

Grandview (RAD PBV program): Kellie Fletcher

Project-Based Voucher Program: Elizabeth Edwards (Housing Hope New Century Village)

Tenant-Based Voucher Program: Sharon Jones

EHA staff members gave a presentation on the agency's planned activities to further its Five-Year Goals and Objectives over the course of the 2022-23 Annual Plan year. RAB members provided comments during and after this presentation. The RAB's comments and EHA's preliminary response specific to each are provided in the section below.

EHA will issue a final response to the RAB's comments, as well as all other public comments received during the public review period and at the February 28 public hearing on the Annual Plan, with the final iteration of the Plan that will be presented for approval by the Board of Commissioners at its March 28 regular meeting,

RAB Comments/EHA's Response:

1. Establish a jobs program for program participants, including residents of senior/disabled buildings, as an MTW demonstration activity.

Although the MTW demonstration program's original intent was to encourage program participants to gain stable employment and increase their income, it has since evolved to allow PHAs to waive certain Voucher program regulations and be flexible with their funding in order to be able to design and test local strategies that assist program participants in gaining self-sufficiency.

EHA will concentrate its initial MTW demonstration activities around a study of rent reform for a non-elderly, non-disabled program participants: i.e.: streamlining the income calculation and revising rent policies to only account for income increases every three years. There are external programs that allow elderly or disabled persons to work a certain amount while retaining their benefits, and EHA will consider incorporating one or more of these programs into the plans and services it will offer to residents under MTW over the coming years.

2. Consider revising subsidy standards that determine the bedroom size of a Voucher based on family size and composition so that parents, as well as children of the opposite sex, are assigned their own bedroom.

Current subsidy standards for the HCV program assign one bedroom for the head of household and spouse co-head and one additional bedroom for every two children, regardless of gender or age.

EHA leaves it up to the Voucher holder to decide how their family will occupy the bedrooms in their home. For example, parent(s) may elect to convert a den or portion of a dining area to a sleeping space so that each child may have his and her own bedroom. In addition, a Voucher holder is permitted to lease a unit that has more bedrooms than the size of the Voucher issued, as long as the amount is within the family's rent cap, although the current rental market can make this challenging. Also, families who need an extra bedroom as a reasonable accommodation for a disability, such as to enable a live-in aide to reside in the unit, can request an accommodation from EHA.

EHA plans to retain its current subsidy standards in order to assist the maximum number of families with the amount of Voucher program funding HUD currently provides.

3. Create a program that would give elderly program participants the opportunity to volunteer as mentors for families with children.

EHA agrees that this would be beneficial to both the volunteer seniors as well as the families served, especially in multigenerational housing such as the Baker Legacy project currently under construction. EHA will explore the possibility of creating opportunities to create mentoring programs and affinity groups as an MTW activity.

4. Develop systems to assist the growing homeless population in our area; especially those who are housing challenged due to drug or alcohol abuse, while also maintaining the rights of other residents to safe and orderly housing.

EHA's mission as a provider of affordable housing includes a commitment to foster healthy communities where households thrive. That said, the agency is not organized to provide treatment services for housing applicants or program participants with negative behaviors stemming from the abuse of drugs or alcohol. Unfortunately, the need within our community for such services far exceeds the supply.

The eviction moratorium that was in effect during COVID made it difficult for landlords to pursue evictions for nuisance behaviors, including those tied directly to drug and alcohol abuse. The moratorium ended in November 2021, removing grey legal areas that served as barriers that inhibited landlords from enforcing lease provisions related to antisocial behaviors. As evictions for nuisance behavior pick up there will likely be a corresponding uptick to the homeless population comprised of those who are evicted. Unfortunately, there is no "safe landing" for those who are evicted based on health and safety infractions, as there is not enough affordable housing for everyone who needs it.
