## Federal Summary

## Housing Authority of the City of Everett Snohomish County July 1, 2011 through June 30, 2012

The results of our audit of the Housing Authority of the City of Everett are summarized below in accordance with U.S. Office of Management and Budget Circular A-133.

## FINANCIAL STATEMENTS

An unqualified opinion was issued on the financial statements of the business-type activities and the aggregate discretely presented component units.

## **Internal Control Over Financial Reporting:**

- **Significant Deficiencies:** We reported no deficiencies in the design or operation of internal control over financial reporting that we consider to be significant deficiencies.
- **Material Weaknesses:** We identified no deficiencies that we consider to be material weaknesses.

We noted no instances of noncompliance that were material to the financial statements of the Housing Authority.

## FEDERAL AWARDS

## **Internal Control Over Major Programs:**

- Significant Deficiencies: We reported no deficiencies in the design or operation of internal control over major federal programs that we consider to be significant deficiencies.
- **Material Weaknesses:** We identified no deficiencies that we consider to be material weaknesses.

We issued an unqualified opinion on the Housing Authority's compliance with requirements applicable to each of its major federal programs.

We reported no findings that are required to be disclosed under section 510(a) of OMB Circular A-133.

## Identification of Major Programs:

The following were major programs during the period under audit:

CEDA No.	Program Title
14.850	Public and Indian Housing
14.871	Housing Voucher Cluster - Section 8 Housing Choice Vouchers

The dollar threshold used to distinguish between Type A and Type B programs, as prescribed by OMB Circular A-133, was \$780,424.

The Housing Authority qualified as a low-risk auditee under OMB Circular A-133.

# Independent Auditor's Report on Internal Control over Financial Reporting and on Compliance and Other Matters in Accordance with *Government Auditing Standards*

## Housing Authority of the City of Everett Snohomish County July 1, 2011 through June 30, 2012

Board of Commissioners Housing Authority of the City of Everett Everett, Washington

We have audited the financial statements of the business-type activities and the aggregate discretely presented component units of the Housing Authority of the City of Everett, Snohomish County, Washington, as of and for the year ended June 30, 2012, which collectively comprise the Housing Authority's basic financial statements, and have issued our report thereon dated January 31, 2013.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

## INTERNAL CONTROL OVER FINANCIAL REPORTING

In planning and performing our audit, we considered the Housing Authority's internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Housing Authority's internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of the Housing Authority's internal control over financial reporting.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the Housing Authority's financial statements will not be prevented, or detected and corrected on a timely basis.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and would not necessarily identify all deficiencies in internal control that might be deficiencies, significant deficiencies or material weaknesses. We did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses, as defined above.

## COMPLIANCE AND OTHER MATTERS

As part of obtaining reasonable assurance about whether the Housing Authority's financial statements are free of material misstatement, we performed tests of the Housing Authority's compliance with certain provisions of laws, regulations, contracts and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion.

The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

This report is intended for the information and use of management, the Board of Commissioners, federal awarding agencies and pass-through entities. However, this report is a matter of public record and its distribution is not limited. It also serves to disseminate information to the public as a reporting tool to help citizens assess government operations.

TROY KELLEY
STATE AUDITOR

January 31, 2013

Independent Auditor's Report on Compliance with Requirements That Could Have a Direct and Material Effect on Each Major Program and on Internal Control over Compliance in Accordance with OMB Circular A-133

## Housing Authority of the City of Everett Snohomish County July 1, 2011 through June 30, 2012

Board of Commissioners Housing Authority of the City of Everett Everett, Washington

## **COMPLIANCE**

We have audited the compliance of the Housing Authority of the City of Everett, Snohomish County, Washington, with the types of compliance requirements described in the U.S. Office of Management and Budget (OMB) *Circular A-133 Compliance Supplement* that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2012. The Housing Authority's major federal programs are identified in the Federal Summary. Compliance with the requirements of laws, regulations, contracts and grants applicable to each of its major federal programs is the responsibility of the Housing Authority's management. Our responsibility is to express an opinion on the Housing Authority's compliance based on our audit.

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the Housing Authority's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion. Our audit does not provide a legal determination on the Housing Authority's compliance with those requirements.

In our opinion, the Housing Authority complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2012.

## INTERNAL CONTROL OVER COMPLIANCE

The management of the Housing Authority is responsible for establishing and maintaining effective internal control over compliance with requirements of laws, regulations, contracts and grants applicable to federal programs. In planning and performing our audit, we considered the Housing Authority's internal control over compliance with the requirements that could have a direct and material effect on a major federal program in order to determine our auditing procedures for the purpose of expressing our opinion on compliance and to test and report on internal control over compliance in accordance with OMB Circular A-133, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Housing Authority's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent or detect and correct noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and would not necessarily identify all deficiencies in internal control that might be deficiencies, significant deficiencies or material weaknesses. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above.

This report is intended for the information of management, the Board of Commissioners, federal awarding agencies and pass-through entities. However, this report is a matter of public record and its distribution is not limited. It also serves to disseminate information to the public as a reporting tool to help citizens assess government operations.

# Independent Auditor's Report on Financial Statements

## Housing Authority of the City of Everett Snohomish County July 1, 2011 through June 30, 2012

Board of Commissioners Housing Authority of the City of Everett Everett, Washington

We have audited the accompanying financial statements of the business-type activities and the aggregate discretely presented component units of the Housing Authority of the City of Everett, Snohomish County, Washington, as of and for the year ended June 30, 2012, which collectively comprise the Housing Authority's basic financial statements as listed on page 9. These financial statements are the responsibility of the Housing Authority's management. Our responsibility is to express opinions on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinions.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the business-type activities and the aggregate discretely presented component units of the Housing Authority of the City of Everett, as of June 30, 2012, and the respective changes in financial position and, where applicable, cash flows thereof for the year then ended in conformity with accounting principles generally accepted in the United States of America.

In accordance with *Government Auditing Standards*, we have also issued our report on our consideration of the Housing Authority's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be considered in assessing the results of our audit.

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis on pages 10 through 17 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial

statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during the audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Our audit was performed for the purpose of forming opinions on the financial statements that collectively comprise the Housing Authority's basic financial statements. The accompanying Schedule of Expenditures of Federal Awards is presented for purposes of additional analysis as required by U.S. Office of Management and Budget Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. The accompanying Financial Data Schedule is supplementary information required by HUD. These schedules are not a required part of the basic financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

The Supplemental Segment Information and Notes to the Supplemental Segment Information are presented for purposes of additional analysis and are not a required part of the basic financial statements. Such information has not been subjected to the auditing procedures applied in the audit of the basic financial statements and, accordingly, we do not express an opinion or provide any assurance on it.

## Financial Section

## Housing Authority of the City of Everett Snohomish County July 1, 2011 through June 30, 2012

## REQUIRED SUPPLEMENTARY INFORMATION

Management's Discussion and Analysis – 2012

## **BASIC FINANCIAL STATEMENTS**

Statement of Net Assets – 2012 Statement of Revenues, Expenses and Changes in Net Assets – 2012 Statement of Cash Flows – Proprietary Funds – 2012 Notes to Financial Statements – 2012

## SUPPLEMENTARY INFORMATION

Schedule of Expenditures of Federal Awards – 2012 Notes to the Schedule of Expenditures of Federal Awards – 2012 Supplemental Financial Data Schedule – 2012 Supplemental Segment Information – Unaudited – 2012 Notes to Supplemental Segment Information – Unaudited – 2012

Management's Discussion and Analysis Year Ended June 30, 2012

The Housing Authority of the City of Everett ("EHA" or the "Authority") owns and manages property and administers rent subsidy programs to provide eligible low-income persons good, safe and affordable housing. EHA is a public body corporate and politic of the State of Washington (RCW 35.82) and provides services to citizens in the Everett area primarily through two federally assisted programs administered by the U.S. Department of Housing and Urban Development ("HUD"): (a) Conventional Low Income Public Housing program and (b) Housing Choice Voucher program.

The financial performance discussed below does not include tax credit partnerships. Two tax credit partnerships are owned by separate limited partnerships with the Authority acting as general partner. The tax credit partnerships are managed by EHA. Because these partnerships are separate legal entities, their operations are not carried directly on the books of the Authority but are listed as component units on the Statement of Net Assets and Statement of Revenues, Expenses and Changes in Net Assets.

#### Overview of the Financial Statements

The following discussion and analysis provides an overview of the Authority's financial activities and should be read in conjunction with the Authority's financial statements that follow the Management's Discussion and Analysis (MD&A) section.

The financial statements are presented in accordance with U.S. generally accepted accounting principles (GAAP). GAAP requires the presentation of three basic financial statements (Statement of Net Assets; Statement of Revenues, Expenses and Changes in Net Assets; and Statement of Cash Flows) and Notes to the Financial Statements. These statements are prepared on the accrual basis and present all assets and liabilities of the Authority, both financial and capital, and short and long term. They also present all revenues and expenses of the Authority during the year, regardless of when cash was received or paid. Collectively, the statements provide the results of the Authority's operations and cash flows and information regarding its financial condition as of June 30, 2012.

The basic financial statements and notes to the financial statements are:

- Statement of Net Assets presents the assets, liabilities and net assets of the Authority at the
  end of the fiscal year. The difference between the total assets and the total liabilities equals
  the Authority's net assets. Over time, changes in total net assets may reflect changes in the
  financial position of the Authority.
- Statement of Revenues, Expenses and Changes in Net Assets this statement presents information showing how the Authority's assets changed during the year. All changes in total net assets are reported when the relevant event occurs, regardless of the timing of the cash flow. This means that revenues and expenses are reported in this statement for which the cash flow may occur in a future period. For example, unused leave earned by employees during the current year is reported as an expense of this period but will not actually be paid until some future fiscal period.
- Statement of Cash Flows reports cash receipts, cash payments and net changes in cash
  resulting from operating, investing and financing activities. This statement also provides
  insight into where cash came from, how it was used and what the change in cash balance was
  during the reporting period.
- Notes to the Financial Statements the notes provide additional information that is essential
  to a full understanding of the data provided in the Authority's basic financial statements. The
  notes can be found following the basic financial statements.

Management's Discussion and Analysis Year Ended June 30, 2012

#### Financial Highlights

- Assets of the Authority exceeded liabilities at June 30, 2012 by \$41,987,984 (net assets). Of this
  amount, \$24,139,738 is classified as unrestricted net assets and may be used by the Authority to
  meet its ongoing obligations.
- Total net assets increased by \$542,352 (or 1.3%) during the past year. Net assets were \$41,987,984 and \$41,445,632 at June 30, 2012 and 2011, respectively.
- Total operating and non-operating revenues increased by \$73,257 (or .24%) during the past year, and were \$30,272,645 for 2012 and \$30,199,388 for 2011.
- The total expenses of the Authority's programs increased by \$645,906 (or 2.2%). Total expenses were \$30,395,864 and \$29,749,958 for 2012 and 2011, respectively.
- The Authority's unrestricted net assets at June 30, 2012 and 2011 were \$24,139,738 and \$21,677,734 respectively, an increase of 11.4%.

#### The Authority's Programs

The Authority's financial statements include all programs that are considered to be within its administrative control. The Authority generally maintains separate accounting records for each grant program or annual contributions contract, as required by HUD. A list of the more significant programs is as follows:

Conventional Low Income Public Housing - Under the Conventional Low Income Public Housing Program, the Authority rents units that it owns to low-income households. The Conventional Low Income Public Housing Program is operated under Annual Contributions Contracts with HUD, and HUD provides operating subsidies and capital grant funding to enable EHA to provide housing at a rent that is generally based on 30% of household income. The Conventional Low Income Public Housing program is comprised of 620 units located in five asset management projects (AMPs). This program also includes the Capital Fund Program, which is the primary funding source for physical improvements to the Authority's public housing properties. This year the Authority received \$665,571 in capital fund grants.

Housing Choice Voucher Program - Through the Housing Choice Voucher Program the Authority contracts with residential landlords who own rental housing property. The Authority subsidizes the tenant family's rent through a Housing Assistance Payment made to the landlord. The program is administered under an Annual Contributions Contract with HUD. HUD provides Annual Contributions Funding to enable the Authority to structure a lease that normally sets the participants' rent at 30% of household income.

Other Programs - In addition to the major programs discussed above, the Authority also maintains the following non-major programs:

Affordable Housing Properties – Includes nine separate non-subsidized apartment complexes all located within the Authority's service area. These nine properties have a combined total of 154 apartments. The majority of tenants served have an income level of less than 50% of median income, and all are under 80% of median income. Operating costs are funded through tenant rents.

At June 30, 2012, seventy-four of the tenants residing in these apartment complexes were participants in the Authority's Housing Choice Voucher Program.

Management's Discussion and Analysis Year Ended June 30, 2012

## AUTHORITY-WIDE FINANCIAL STATEMENT

## Statement of Net Assets

The Statement of Net Assets includes all assets and liabilities of the Authority using the accrual basis of accounting, which is similar to the accounting method used by most private sector institutions. The purpose of this statement is to provide financial statement readers with a snapshot of the financial condition of the Authority as of a certain point in time. The following table reflects the condensed information from the Authority's Statement of Net Assets compared to the prior year.

### CONDENSED STATEMENT OF NET ASSETS

	As of June 30,			
	2012			2011
Assets				
Current assets	\$	18,631,819	\$	17,144,578
Capital assets		22,327,918		22,856,460
Other assets	1.1	21,709,630		19,867,133
Total Assets		62,669,367		59,868,171
Liabilities				
Accounts payable and other current liabilities		5,570,945		1,413,843
Long-term liabilities		15,110,438		17,008,696
Total Liabilities		20,681,383		18,422,539
Net Assets				
Invested in capital assets, net of related debt		15,835,422		15,994,422
Restricted		2,012,824		3,773,476
Unrestricted		24,139,738		21,677,734
Total Net Assets	_\$	41,987,984	\$	41,445,632

## Major Factors Affecting the Statement of Net Assets

Total assets of the Authority at June 30, 2012 and June 30, 2011 were \$62,669,367 and \$59,868,171, respectively. This represents an increase of \$2,801,196 during the year which was primarily the result of an increase in notes receivable from the Broadway Plaza LLLP tax credit partnership for an increase in the temporary construction loan for the remodel of this apartment complex.

Current assets increased by \$1,487,241 and current liabilities increased by \$4,157,102. The Authority's current ratio decreased from 12.13 in 2011 to 3.34 in 2012. There are sufficient current assets (primarily cash, investments and accounts receivable) to extinguish current liabilities.

The net decrease in capital assets of \$528,542 represents the difference between capital assets acquired during the year totaling \$832,605, depreciation expense of \$1,356,049 and book value of assets disposed of for \$5,098.

Management's Discussion and Analysis Year Ended June 30, 2012

The following table presents details on the changes in unrestricted net assets during the year:

#### CHANGES IN UNRESTRICTED NET ASSETS

Unrestricted net assets - June 30, 2011	\$ 21,677,734
Total change in net assets	542,352
Adjustments:	
Depreciation (1)	 1,356,049
Adjusted change in net assets	23,576,135
Payments on capital asset long-term debt borrowings	(369,542)
Capital asset additions	(832,605)
Book value of capital asset disposal	5,098
Decrease in restricted assets	 1,760,652
Unrestricted net assets - June 30, 2012	\$ 24,139,738

(1) Depreciation is treated as an expense and reduces the net assets invested in capital assets, net of related debt, but does not have an impact on unrestricted net assets.

As of June 30, 2012 there are no restrictions, commitments or other limitations that would significantly affect the availability of resources for future use.

While operating results are a significant measure of the Authority's activities, the analysis of the changes in unrestricted net assets provides a clearer picture of the change in financial well-being.

## Statement of Revenues, Expenses and Changes in Net Assets

The purpose of the Statement of Revenues, Expenses and Changes in Net Assets is to present the operating results of the Authority, as well as the non-operating revenues and expenses. HUD operating grants and subsidies are considered to be operating revenues (rather than non-operating revenues) based on guidance received from HUD, the primary user of the financial statements. For comparison purposes information from the Authority's June 30, 2011 Statement of Revenue, Expenses, and Changes in Net Assets has been restated to reflect results that do not include information from Broadway Plaza East and West as these two properties were sold to Broadway Plaza LLLP as of June 29, 2011, and therefore no longer a part of the Authority's operations. See Note 15 of the Notes to the Financial Statements.

Management's Discussion and Analysis Year Ended June 30, 2012

Condensed information from the Authority's statements of revenue, expenses and changes in net assets follows:

## CONDENSED STATEMENT OF REVENUES, EXPENSES AND CHANGES IN NET ASSETS

	June 30,		
	2012	2011 (Restated)	
Operating and nonoperating revenue Operating grants and subsidies	\$ 23,401,299	\$ 25,810,467	
Tenant revenue - rents and other	3,868,576	3,865,758	
Interest income	424,639	33,243	
Other revenue	2,578,131	489,920	
Total revenue	30,272,645	30,199,388	
Operating and nonoperating expenses			
Housing assistance payments	21,710,951	20,527,299	
Administrative	3,412,135	3,552,322	
Maintenance and operation	1,786,176	1,752,631	
Depreciation	1,356,049	1,328,994	
Tenant services	844,280	723,217	
Utilities	524,477	511,218	
General	479,867	1,056,447	
Interest expense	281,929	297,830	
Total expenses	30,395,864	29,749,958	
Income before capital contributions and extraordinary gain	(123,219)	449,430	
Net Assets - Beginning of Year	41,368,332	32,734,392	
Net Assets from Broadway Plaza operations (2011)	77,300	2	
Capital contributions	665,571	1,270,373	
Extraordinary gain		6,914,137	
Net Assets - End of Year	\$ 41,987,984	\$ 41,368,332	

## Major Factors Affecting the Statement of Revenues, Expenses and Changes in Net Assets

Operating subsidies and grants earned during the year decreased by approximately \$2,409,168. Rents and other tenant revenue increased by approximately \$2,818.

Total expenses increased by \$645,906 (2.2%).

Capital grants earned during the year decreased by \$604,802, primarily due to a decrease in ARRA funding received in the current year.

Management's Discussion and Analysis Year Ended June 30, 2012

## Capital Assets and Debt Administration

## Capital Assets

At June 30, 2012, the Authority had \$22,327,918 invested in a variety of capital assets (as summarized below), which represents a net decrease of \$528,542 from June 30, 2011.

## CAPITAL ASSETS AT YEAR-END (Net of Depreciation)

	As of June 30,			
	-	2012		2011
Land and site improvements	\$	3,490,205	\$	3,490,205
Building and building improvements		42,912,759		42,336,658
Equipment		2,413,208		2,354,047
Construction in progress		1,427,418		1,255,067
Total	2	50,243,590		49,435,977
Accumulated depreciation	n-	(27,915,672)		(26,579,517)
Capital assets - net	_\$_	22,327,918	\$	22,856,460

The following reconciliation summarizes the change in capital assets from June 30, 2011 to June 30, 2012, which is presented in more detail in Note 6 of the Notes to the Financial Statements.

## CHANGE IN CAPITAL ASSETS

Balance at June 30, 2011	\$	22,856,460
Additions		832,605
Reductions - net		(5,098)
Depreciation expense	1 <u></u>	(1,356,049)
Balance at June 30, 2012	\$	22,327,918_

The additions to capital assets was primarily a result of modernization to our Low Income Public Housing Projects funded primarily through the Public Housing Capital Fund program.

Management's Discussion and Analysis Year Ended June 30, 2012

## **Outstanding Debt**

At June 30, 2012 the Authority had outstanding debt (bonds and notes) totaling \$18,989,496, a net increase of \$2,167,458 resulting primarily from the issuance of \$2,592,000 in notes payable in connection with the construction loan associated with the remodeling of Broadway Plaza Apartments and the principle payment of \$369,542 on long term debt. Please refer to Note 8 of the Notes to the Financial Statements for more information.

## **OUTSTANDING DEBT AT YEAR-END**

	As of June 30,			
		2012		2011
Revenue Bonds Payable				
Twelve Pines apartments (tax credit partnership)	\$	1,845,000	\$	1,900,000
Broadway Plaza apartments (tax credit partnership)		7,000,000		7,000,000
Douglas Grove apartments		183,678		224,866
Rainier Park apartments		299,262		342,256
Rucker Street apartments		233,290		265,734

#### **Economic Factors**

Significant economic factors affecting the Authority are as follows:

- Federal funding which is at the discretion of the U.S. Department of Housing and Urban Development.
- Local labor supply and demand, which can affect salary and wage rates of the Authority.
- Local inflationary, recessionary and employment trends, which can affect resident incomes and therefore the amount of rental income.
- Inflationary pressure on utility rates, supplies and other costs, which affects the cost to operate the programs.

The financial report is designed to provide a general overview of the finances of the Everett Housing Authority for all those with an interest. Questions concerning any of the information provided in this report or requests for additional financial information should be addressed to the Executive Director, Everett Housing Authority, P.O. Box 1547, Everett, WA 98206.

The following notes are an integral part of the accompanying financial statements.

## 1 - Summary of Significant Accounting Policies

## a. Organization of the Housing Authority

The Housing Authority of the City of Everett, Washington (Authority) was created in 1942 as a public body corporate and politic which derives its power from Washington State Law, RCW 35.82. The Authority is responsible for operating certain low-rent housing programs primarily in the City of Everett including programs administered by the U.S. Department of Housing and Urban Development (HUD). These programs provide housing for eligible families under the United States Housing Act of 1937, as amended. The Authority has no taxing powers.

The Mayor of the City of Everett appoints the six member Board of Commissioners for five year terms, subject to approval by the City Council. The terms are staggered so that generally one term expires each year on October 6, the Authority's anniversary. The Board sets policy of the Authority and hires the Executive Director who directs the daily operations of the Authority.

The Authority is not financially dependent on the City of Everett and is not considered a component unit of the City. However, the Authority cooperates closely with the City in carrying out housing programs within the Everett area. An important element of the Authority's relationship with the City is cooperation agreements, which call for the City to provide support services (police, fire, etc.,) to specified developments. In exchange, the Authority makes voluntary payments in lieu of taxes (PILOT) to the City of Everett for those developments.

The basic financial statements of the Authority have been prepared in conformity with U.S. generally accepted accounting principles (GAAP) as applied to governmental units. The Governmental Accounting Standards Board (GASB) is the accepted standard-setting body for establishing governmental accounting and financial reporting principles. Significant accounting policies are described below.

### b. Reporting Entity

As required by GAAP, the accompanying financial statements present the financial data of the Authority (the primary government) and its discretely presented component units. The financial data of the discretely presented component units is included in the Authority's financial statements because of the significance of its operational or financial relationships with the Authority. The Authority and its component units are together referred to as the reporting entity.

In determining how to define the reporting entity, management has considered all potential component units. The decision to include a component unit in the reporting entity is governed by applying the criteria set forth in Governmental Accounting Standards Board (GASB) Statement No. 14, The Financial Reporting Entity and Statement No. 39, Determining Whether Certain Organizations are Component Units. Based on these criteria, the Authority has identified two partnerships that constitute component units, EHA-Twelve Pines Limited Partnership and Broadway Plaza Limited Liability Limited Partnership, and are therefore reported as discretely presented component units.

EHA-Twelve Pines Limited Partnership was formed on July 1, 1999. Broadway Plaza Limited Liability Limited Partnership was formed on May 12, 2011, with operations commencing effective June 29, 2011. The partnerships are further described in Note 15.

Notes to Financial Statements June 30, 2012

## c. Basis of Presentation

All of the Authority's programs are accounted for as one business-type activity for reporting purposes. This financial statement presentation provides for an indication of the financial performance of the Authority as a whole. Enterprise designations are used to account for activities (a) which are financed with debt that is solely secured by a pledge of the net revenues from fees and charges of the activity; (b) which are governed by laws or regulations that require that the activity's costs of providing services be recovered with fees and charges, rather than taxes or similar revenues; or (c) that the pricing policies of the activity establish fees and charges designated to recover its costs. The Authority has elected not to follow Financial Accounting Standards Board (FASB) pronouncements issued subsequent to November 30, 1989. The Authority follows all applicable GASB pronouncements and FASB pronouncements issued prior to November 30, 1989, unless they conflict with GASB pronouncements.

## d. Measurement Focus, Basis of Accounting, and Financial Statement Presentation

The financial statements of the Authority are reported using the economic resources measurement focus and the accrual basis of accounting whereby all revenues are recorded when earned and expenses are recorded when a liability is incurred, regardless of the timing of the related cash flows.

Depreciation of capital assets is recognized and all assets and liabilities associated with the operation of the Authority are included in the statement of net of assets.

The principal operating revenues of the Authority are rental revenues received from residents and operating subsidies and grants received from HUD. Grants, subsidies and similar items are recognized as revenue as soon as all eligibility requirements have been met. Operating expenses for the Authority include the costs of operating housing units, administrative expenses, housing assistance payments to landlords and depreciation on capital assets. HUD operating grants and subsidies are received by the Authority for each unit rented to qualified tenants in the public housing and Section 8 programs. Classification of operating grants and subsidies as operating revenues (rather than as non-operating revenues) is based on guidance from HUD, the primary user of the financial statements. The classification of operating grants and subsidies as operating revenues does not affect the presentation of net income or the change in net assets in the statement of revenues, expenses, and changes in net assets, or the presentation of cash and cash equivalents in the statement of cash flows. All other revenue and expenses not meeting the definition of operating revenues and expenses are reported as non-operating revenues and expenses, primarily interest income and interest expense.

## e. Cash and Cash Equivalents - Unrestricted and Restricted

For the purposes of the statement of cash flows, the Authority considers all highly liquid investments (including restricted assets) with a maturity of three months or less when purchased to be cash equivalents. Cash and cash equivalents are stated at fair value.

## f. Investments - Unrestricted and Restricted

Investments are stated at fair value.

#### g. Receivables

Receivables consist primarily of rents due from tenants, HUD operating grants and subsidies, cost reimbursements due from grantors, and loans and advances due from partnerships. Annually, tenant receivables are analyzed and the allowance for doubtful accounts is adjusted. Unpaid tenant account balances are written off at the time a tenant vacates. No allowances existed at June 30, 2012 other than the allowance for tenant accounts receivable and fraud recovery receivables.

#### h. Inventories and Prepaid Items

Inventories are stated at lower of average cost or market and consist of expendable materials and supplies. Inventory items are expensed when consumed, using a moving weighted-average cost method. Prepaid items are for payments made by the Authority in the current year for services occurring in a subsequent fiscal year.

## i. Capital Assets and Depreciation

All land, structures and equipment are recorded on a historical cost basis. All capital assets with a value of \$2,000 or more and a life expectancy of three years or more are capitalized. Depreciation is calculated using the straight-line method over the estimated useful lives of the respective assets, which are as follows:

Buildings and improvements	15 to 50 years
Furnishings and equipment	10 to 12 years
Computer equipment	5 years
Vehicles	7 years

The cost of normal maintenance and repairs that do not add to the value of the asset or materially extend assets' lives are not capitalized.

Major outlays of capital assets and improvements are capitalized as projects are constructed. Interest incurred during the construction phase of capital assets is included as part of the capitalized value of the assets constructed.

## j. Deferred Revenue

Deferred revenue consists primarily of advanced grant payments received from HUD programs and payments received from non-HUD sources that have not been earned as of the end of the year.

## k. Revenue Recognition

Operating subsidies received from HUD and other grantors are generally recognized during the periods to which they relate and all eligibility requirements have been satisfied. Eligibility requirements include timing requirements, which specify the year when the resources are required to be used or the year when use is first permitted. Receipts from the Public Housing Capital Grant Program and other reimbursement based grants are recognized when the related expenses are incurred. Tenant rental revenues are recognized during the period of occupancy. Expenses are recognized when incurred.

## 1. Compensated Absences

Vacation benefits are accrued as a liability as the benefits are earned if the employees' rights to receive compensation are attributable to services already rendered and it is probable that the Authority will compensate the employees for the benefits through paid time off or some other means.

All fulltime employees earn annual vacations at the rate of 12 days per year. Additional vacation time is earned by employees based on their years of service. A maximum of 22 days per year can be earned after ten years of service. Exempt employees earn 22 days annual vacation per year upon initial employment. Employees are allowed to accumulate a maximum of 30 days of unused vacation time. Employees are paid for all accumulated vacation pay upon termination.

The Authority recognizes and compensates employees for 11 traditional holidays and one floating holiday. Holiday pay is recorded as an expense when paid. Fulltime employees earn sick leave at a

Notes to Financial Statements June 30, 2012

rate of 13 days per year. Sick leave is allowed to accumulate to a maximum of 120 days. Employees in good standing are compensated for accumulated unused sick leave at the rate of 25% upon termination.

#### m. Income Taxes

The Everett Housing Authority is exempt from federal income tax under Section 115 of the Internal Revenue Code of 1986, as amended. Accordingly, no provision for income tax is reflected in the financial statements.

#### n. Use of Estimates.

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenditures during the reporting period. Actual results could differ from those estimates.

## o. Public Support Funding

The Housing Authority receives a substantial amount of its funding from HUD. In the event that HUD would discontinue its support because of budget cuts, the Housing Authority could experience a significant loss of funding.

## p. Budgetary Accounting and Control

Budgets are prepared on an annual basis for each major operating program and are used as a management tool throughout the accounting cycle. Capital Fund Program budgets are adopted on a "project length" basis covering up to three years. The Authority's annual budgets are prepared on the accrual basis of accounting and approved by the Board of Commissioners. Budgets are not, however, legally adopted nor required for financial statement presentation.

The Authority maintains budgetary control by not permitting total operating expenses and expenditures for individual programs to exceed their respective budget amounts without the appropriate approvals. All budget amounts lapse at year-end. Encumbrance accounting is not used as an extension of formal budget control.

#### 2 - Cash and Investments

## a. Deposits

At June 30, 2012, the carrying amount of Authority's demand deposits was \$275,197 and the bank balance was \$713,403. The carrying balance for the demand deposits of the component units was \$306,608 at December 31, 2011, and the bank balance was \$307,751. Bank deposits are held with financial institutions and are fully insured or collateralized by the Federal Deposit Insurance Corporation (FDIC) and the Washington Public Deposit Protection Commission. The Washington Public Deposit Protection Act, as created in 1969 and subsequently amended, requires all participating banks in the State of Washington to collectively assure that no loss of funds will be suffered by any public treasurer or custodian of public funds, within certain guidelines as stipulated by amendments to the original Act. The Act therefore allows all custodians of public funds in the State of Washington to maintain deposits in excess of the financial institution's FDIC limit. In addition to bank deposits the authority has \$500 in petty cash and change funds and the component units have \$150 in petty cash.

Notes to Financial Statements June 30, 2012

All demand deposit accounts are maintained at depositories approved by the Board of Commissioners and are held in the name of the Authority.

#### b. Investments

The Authority's cash management and investment policy requires that all available cash funds are to be managed to preserve the value of the cash resources and to earn the maximum return on funds until they are disbursed. Safety and preservation of capital through prudent stewardship of the Authority's cash funds is a primary objective of the policy. The investment policy does not permit the Authority to invest in any securities that would be considered as speculative or leveraged investments. Washington State Law limits investments by housing authorities to those investments that are legal for savings banks. (RCW 35.82.070(6)).

The Authority invests a portion of its funds with the Washington State Local Government Investment Pool (LGIP) managed by the State Treasurer's office. Investments in this pool are comprised of repurchase agreements, government securities, interest bearing bank deposits and certificates of deposit. The LGIP operates in a manner consistent with the Security and Exchange Commission's Rule 2a-7 of the Investment Company Act of 1940. As such, the LGIP uses amortized cost to report net assets and share prices since that amount approximates fair value.

The Authority restricts its participation in money market mutual funds to those investing only in U.S. Treasury securities. However, any indirect exposure by the Authority to any risks arising from derivative instruments utilized by such funds is unknown.

#### Custodial Risk:

For an investment, the custodial credit risk is that, in the event of the failure of the counterparty (e.g., broker-dealer) to a transaction, the Authority will not be able to recover the value of its investments that are in the possession of another party. The Authority's custodial credit risk policy is to require all securities purchased to be made in such a manner so that the securities are at all times insured, registered in the Authority's name, or in the possession of the Authority.

At June 30, 2012, all investments of the Housing Authority (as well as those of the component units as of December 31, 2011) were insured or registered and held by the Authority or its agent in the Authority's name, or uninsured and unregistered, with securities held by the counterparty's trust department or agent in the Authority's name, or held in investment pools that are not classified since the investments are not evidenced by securities that exist in physical or book entry form. Therefore, the investments are not exposed to custodial risk.

Investments in the LGIP are not categorized because the investments are not evidenced by securities that exist in physical or book entry form. Investments in the First American Treasury Obligations Fund are investments held by the trustee in the Authority's name for the component unit's bond issue.

#### Concentration of Credit Risk and Interest Rate Risk:

Concentration of credit risk is the risk of loss that may occur due to the amount of investments in a single issuer. Investments issued or guaranteed by the U.S. Government, investments in a mutual fund or external investment pools are excluded. At June 30, 2012, the Authority's investments were limited to investments that were guaranteed by the U.S. Government or to investments in external investment pools.

Credit risk of investments is the risk that the issuer or other counterparty will not meet its obligations. This credit risk is measured by the credit quality rating of investments in debt securities as described by a national statistical rating organization, such as Standard and Poor's (S&P). To limit credit risk, the Authority's investment policy does not allow for the investment in corporate bonds or other fixed

Notes to Financial Statements June 30, 2012

income securities that are not guaranteed or insured by the U.S. Government, or have not been issued by a state of local government.

Interest rate risk is the risk that changes in interest rates will adversely affect the fair value of an investment. The Authority's policy limits investments to securities maturing in periods of up to one year, or up to three years for the investment of operating reserves. None of the investments of the Authority or the component units exceeded one year at their respective year ends.

Cash and investment are classified in the accompanying financial statements as follows:

eritaria de la trata de trata de la desta de la tr	Primary  Government		Component Units		
Cash and investments	\$	14,099,600	\$	393,217	
Cash and investments held by bond trustee				369,488	
Total cash and investments	\$	14,099,600		762,705	
Cash and investments are further categorized as follows:		Primary	Co	omponent

#### 3 - Restricted Assets

Restricted cash and investments, which are generally not available for operating purposes, have been classified in the Statement of Net Assets as restricted assets. These restricted assets are summarized as follows:

		sh and Cash quivalents	Investments		
Primary Government:	**************************************				
Replacement reserves	\$	53,159	\$	-	
Housing Choice Voucher Program -					
Housing Assistance Payment funding		1,959,665		-	
Tenant security deposits	190,504			-	
FSS escrow deposits		116,586		-	
Gates Foundation	-			19,851	
	\$	2,319,914	\$	19,851	
Component Units:	\$	232,367	\$	_

Other accounts receivable		32,192	700
Tenants accounts receivable - net		19,476	17,624
HUD other programs	31 <del>-240</del>	3,881	 
Total accounts receivable	\$	1,234,345	\$ 18,324

## 5 - Notes Receivable - Partnerships

Notes receivable due from partnerships include amounts due for obligations incurred by the Authority to acquire, construct and remodel buildings for housing and other related purposes and for development fees earned by the Authority as General Partner of each partnership.

At June 30, 2012 Notes Receivable – Partnership are summarized as follows:

		Final	Notes and
		Maturity	Accrued
	Interest Rate	Date	Interest
EHA- Twelve Pines Limited Partnership			
Bond mortgage note	4.7% - 6.5%	2029	\$ 1,845,000

#### EHA-Twelve Pines Limited Partnership Notes Receivable

#### a. Note Receivable - Bond Mortgage Note

On August 1, 1999 the Authority executed a note receivable with EHA-Twelve Pines Limited Partnership in the original amount of \$2,300,000, concurrent with the sale of tax exempt revenue bonds (Housing Revenue Bonds, 1999 (Twelve Pines Apartments Project)) in the principal amount of \$2,300,000. The revenue bonds were issued to finance the acquisition of an 80-unit multifamily apartment property located in Everett, Washington. Under terms of the partnership agreement, EHA-Twelve Pines is obligated to make payments on the promissory note to the Authority, the General Partner of the Partnership, sufficient to make required debt service payments on the bonds. The unpaid balance of the note is \$1,845,000 as of June 30, 2012.

### b. Loan obligation - City of Everett Loan

On August 1, 1999 the Authority executed a note receivable with EHA-Twelve Pines Limited Partnership in the amount of \$950,000, concurrent with the issuance of a second deed of trust note in favor of the City of Everett for \$950,000. Simple interest at the rate of 3% per annum accrues on the note. The City of Everett promissory note was issued to pay part of the cost of acquiring the 80-unit apartment project, Twelve Pines Apartments. The note principal, including simple interest at 3.0% per annum is due on August 1, 2024.

#### c. Developer fee note

A fifteen-year third mortgage promissory note in the original amount of \$580,481 dated August 30, 2002 and due from EHA-Twelve Pines Limited Partnership was issued in connection with the acquisition and development of the 80-unit apartment complex, Twelve Pines Apartments. The Authority has scheduled annual payments of \$48,625 to be paid on August 1, including interest at the rate of 3% per annum. The note is classified as non-current since repayment is subject to available cash flow of the EHA-Twelve Pines Limited Partnership. The note matures on March 15, 2018.

## Broadway Plaza LLLP Notes Receivable

#### a. Note Receivable - Bond Mortgage Note

On June 29, 2011, the Authority executed a note receivable with Broadway Plaza LLLP in the original amount of \$7,000,000, concurrent with the sale of tax exempt revenue bonds (Housing Revenue Bonds, 2011 (Broadway Plaza Project)) in the principal amount of \$7,000,000. The revenue bonds were issued to finance the acquisition of a 190-unit multifamily apartment property located in Everett, Washington. Under terms of the partnership agreement, Broadway Plaza LLLP is obligated to make payments to the Authority, the General Partner of the Partnership, sufficient to make required debt service payments on the revenue bonds. At June 30, 2012 the unpaid balance of the note was \$7,000,000.

### b. Promissory Note – Construction Loan

Simultaneously with the issuance of the Housing Revenue Bonds, 2011, the Authority executed a promissory note with the partnership, Broadway Plaza LLLP, in the principal amount of \$5,500,000, or so much as has been advanced pursuant to the Loan Agreement between the Authority and the Partnership. Funds received by the Partnership are used to provide interim financing for the remodeling of the 190-unit multifamily rental housing development. Interest payments are due quarterly with the principal due upon receipt of capital contributions received by the Partnership from the Investment Limited Partner. Any unpaid principal and accrued interest is due and payable on June 29, 2013. The unpaid balance of the note was \$2,702,000 as of June 30, 2012.

## c. Promissory note - Seller Financing Note

A promissory note in the original amount of \$9,375,000 dated June 29, 2011 and due from Broadway Plaza LLLP was issued in connection with the acquisition of the leasehold estate in the 190-unit apartment complex by Broadway Plaza LLLP. No annual payments are required on the principle or the interest which accrues at the compounding rate of 4.05% per annum. Interest in the amount of \$390,061 had accrued as of June 30, 2012. The note is classified as non-current since repayment is subject to available cash flow of the Broadway Plaza Limited Liability Limited Partnership. The note matures on June 29, 2061.

## 6 - Capital Assets

## **Primary Government:**

The following is a summary of the changes (at cost) in capital assets (land, structures and equipment) used by the Authority in its enterprise fund operations:

# 7 - Construction in Progress

# **Primary Government:**

Construction in progress primarily represents costs incurred to date for modernization of Housing Authority properties funded by HUD through the Capital Grant Fund program. The Housing Authority receives an annual allocation of public housing capital grant funds and is required to expend these funds within four years. Construction in progress represents expenditures for modernization and remodeling work at five Low Rent Public Housing Projects and the Colby Administrative Office building.

Construction in progress is composed of the following:

	Aı	Project uthorization	Expended to 06-30-12	 ommitted	uired Future Funding
Grandview remodeling	\$	2,276,447	\$ 1,193,380	\$ 626,688	\$ 456,379
Bakerview modernization		303,844	129,358	169,486	5,000
Central Office modernization		331,456	50,456	-	281,000
Baker Heights furnace replacement		149,967	54,224	 70,743	 25,000
	\$	3,061,714	\$ 1,427,418	\$ 866,917	\$ 767,379

# Component Units:

Construction in progress for the component units represents costs incurred to date for the remodeling of the Broadway Plaza apartment complex. See Note 15.

Construction in progress is composed of the following:

	Project Authorization		Expended to 12-31-11	Committed	Required Future Funding	
Broadway Plaza apartments remodeling	\$ 5,500,000 \$ 3,402,550		\$ 3,402,550	\$ 2,097,450	\$	-
	\$	5,500,000	\$ 3,402,550	\$ 2,097,450	\$	-

						The state of the s

# 9 - Arbitrage

The Housing Authority periodically monitors for the existence of any rebatable arbitrage interest associated with its tax-exempt debt. Rebatable arbitrage interest is based on the difference between the interest earnings from the investment of bond proceeds as compared to the interest expense associated with the respective bonds. As of June 30, 2012, the Housing Authority estimated that no arbitrage rebate exists in conjunction with its debt reserve funds, and therefore no liability exists.

June 30, 2012

### 10 - Conduit Debt

The Authority has issued special revenue low income housing bonds to provide financial assistance to notfor-profit agencies to acquire, construct and rehabilitate low-income housing. These bonds are payable solely from the revenue of the low-income housing properties owned by the not-for-profit agencies, and do not constitute a debt or pledge of the full faith and credit of the Authority, the State of Washington or any political subdivision thereof. Accordingly, these obligations and related assets are not presented in the financial statements of the Authority.

As of June 30, 2012, there were 5 separate series of these special revenue bonds outstanding with an aggregate original principal amount payable of \$29,864,000. The estimated unpaid principal balance of these obligations at June 30, 2012 is \$17,861,629.

# 11 - Risk Management

The Authority is exposed to various risks of loss related to torts; theft of, damage to and destruction of assets; errors or omissions; injuries to employees; and natural disasters. The Agency maintains comprehensive insurance coverage with private carriers for vehicles, earthquake, and employee major medical and dental. Workman's compensation insurance is provided through the Washington State Department of Labor and Industries. The Authority also pays unemployment claims to the State of Washington as incurred. Coverage for property, general liability, errors and omissions, and fidelity insurance is provided by the Housing Authorities Risk Retention Pool. Settled claims have not exceeded coverage purchased during the past three years.

The Authority is a member of the Housing Authorities Risk Retention Pool (HARRP). Chapter 48.62 RCW (self-insurance regulation) and Chapter 39.34 RCW (Interlocal Cooperation Act), authorizes the governing body of any one or more governmental entities to form together into or join a pool or organization for the joint purchasing of insurance, and/or joint self-insuring, and/or joint hiring or contracting for risk management services to the same extent that they may individually purchase insurance, self-insure, or hire or contract for risk management services. HARRP was created in March 1987 for the purposes of providing insurance and risk management services for housing authorities in the states of Washington, Oregon and California. HARRP currently has a total of ninety member/owner housing authorities in the states of Washington, Oregon, California and Nevada, of which thirty-seven are Washington housing authorities.

The Everett Housing Authority has obtained the following coverages from HARRP:

- General liability coverage is written on an occurrence form basis, without any deductible.
- Errors and omissions coverage, including employment practices liability, is written on a claims made basis. The Authority is responsible for 10% of any incurred loss.
- Property loss coverage is on a replacement cost basis with a deductible of \$1,000 per occurrence.
- Fidelity coverage with a limit of \$200,000 for employee dishonesty and forgery or alteration and \$10,000 for theft, with a deductible of \$1,000 per occurrence.

Coverage limits for general liability, errors & omissions and property are \$2,000,000 per occurrence with a \$2,000,000 annual aggregate. The HARRP Board of Directors determines the limits and coverage terms, in its sole discretion.

HARRP provides loss control services, claim investigation and adjusting, litigation management and defense with in-house staff and retained third party contractors.

HARRP is fully funded by member assessments that are adjusted annually by the HARRP Board of Directors on the basis of independent actuarial studies. These assessments cover loss, loss adjustment,

Notes to Financial Statements June 30, 2012

reinsurance and other administrative expenses. HARRP does not have the right to assess the membership for any shortfall in its funding. Such shortfalls are made up through future rate adjustments.

### 12 - Pension Plan

Substantially all of the Authority's full-time and qualifying part-time employees participate in one of the following statewide retirement systems administered by the Washington State Department of Retirement Systems, under cost-sharing multiple-employer public employee defined benefit and defined contribution retirement plans. The Department of Retirement Systems (DRS), a department within the primary government of the State of Washington, issues a publicly available comprehensive annual financial report (CAFR) that includes financial statements and required supplementary information for each plan. The DRS CAFR may be obtained by writing to: Department of Retirement Systems, Communications Unit, P.O. Box 48380, Olympia, WA 98504-8380. The following disclosures are made pursuant to GASB Statement No. 27, Accounting for Pensions by State and Local Government Employers and No. 50, Pension Disclosures and Amendment of GASB Statements No. 25 and No. 27.

# Public Employees' Retirement System (PERS) Plans 1, 2, and 3

<u>Plan Description</u>. PERS is a cost-sharing multiple-employer retirement system comprised of three separate plans for membership purposes: Plans 1 and 2 are defined benefit plans and Plan 3 is a combination defined benefit/defined contribution plan.

Membership in the system includes: elected officials; state employees; employees of the Supreme, Appeals, and Superior courts (other than judges currently in a judicial retirement system); employees of legislative committees; community and technical colleges, college and university employees (not in national higher education retirement programs); judges of district and municipal courts; and employees of local governments.

PERS participants who joined the system by September 30, 1977, are Plan 1 members. Those who joined on or after October 1, 1977 and by either, February 28, 2002 for state and higher education employees, or August 31, 2002 for local government employees, are Plan 2 members unless they exercise an option to transfer their membership to Plan 3. PERS participants joining the system on or after March 1, 2002 for state and higher education employees, or September 1, 2002 for local government employees have the irrevocable option of choosing membership in either PERS Plan 2 or PERS Plan 3. The option must be exercised within 90 days of employment. An employee is reported in Plan 2 until a choice is made. Employees who fail to choose within 90 days default to PERS Plan 3. Notwithstanding, PERS Plan 2 and Plan 3 members may opt out of plan membership if terminally ill, with less than five years to live.

PERS Plan 1 and Plan 2 defined benefit retirement benefits are financed from a combination of investment earnings and employer and employee contributions. PERS retirement benefit provisions are established in Chapters 41.34 and 41.40 RCW and may be amended only by the State Legislature.

PERS Plan 1 members are vested after the completion of five years of eligible service. Plan 1 members are eligible for retirement after 30 years of service, or at the age of 60 with five years of service, or at the age of 55 with 25 years of service. The monthly benefit is 2 percent of the average final compensation (AFC) per year of service. (AFC is the monthly average of the 24 consecutive highest-paid service credit months.) The retirement benefit may not exceed 60 percent of AFC. The monthly benefit is subject to a minimum for PERS Plan 1 retirees who have 25 years of service and have been retired 20 years, or who have 20 years of service and have been retired 25 years. Plan 1 members retiring from inactive status prior to the age of 65 may receive actuarially reduced benefits. If a survivor option is chosen, the benefit is further reduced. A cost-of living allowance (COLA) is granted at age 66 based upon years of service times the COLA amount, which is increased 3 percent annually. Plan 1 members may also elect to receive an optional COLA that provides an automatic annual adjustment based on the Consumer Price Index. The adjustment is capped at 3 percent annually. To offset the cost of this annual adjustment, the benefit is reduced.

Notes to Financial Statements June 30, 2012

PERS Plan 1 provides duty and non-duty disability benefits. Duty disability retirement benefits for disablement prior to the age of 60 consist of a temporary life annuity payable to the age of 60. The allowance amount is \$350 a month, or two-thirds of the monthly AFC, whichever is less. The benefit is reduced by any workers' compensation benefit and is payable as long as the member remains disabled or until the member attains the age of 60. A member with five years of covered employment is eligible for non-duty disability retirement. Prior to the age of 55, the allowance amount is 2 percent of the AFC for each year of service reduced by 2 percent for each year that the member's age is less than 55. The total benefit is limited to 60 percent of the AFC and is actuarially reduced to reflect the choice of a survivor option. A cost-of living allowance is granted at age 66 based upon years of service times the COLA amount (based on the consumer Price Index), capped at 3 percent annually. To offset the cost of this annual adjustment, the benefit is reduced.

PERS Plan 1 members can receive credit for military service while actively serving in the military, if such credit makes them eligible to retire. Members can also purchase up to 24 months of service credit lost because of an on-the-job injury.

PERS Plan 2 members are vested after the completion of five years of eligible service. Plan 2 members are eligible for normal retirement at the age of 65 with five years of service. The monthly benefit is 2 percent of the AFC per year of service. (AFC is the monthly average of the 60 consecutive highest-paid service months.)

PERS Plan 2 members who have at least 20 years of service credit and are 55 years of age or older are eligible for early retirement with a reduced benefit. The benefit is reduced by an early retirement factor (ERF) that varies according to age, for each year before age 65.

PERS Plan 2 members who have 30 or more years of service credit and are at least 55 years old can retire under one of two provisions:

- With a benefit that is reduced by 3 percent for each year before age 65.
- With a benefit that has a smaller (or no) reduction (depending on age) that imposes stricter returnto-work rules.

PERS Plan 2 retirement benefits are also actuarially reduced to reflect the choice, if made, of a survivor option. There is no cap on years of service credit; and a cost-of-living allowance is granted (based on the Consumer Price Index), capped at 3 percent annually.

The surviving spouse or eligible child or children of a PERS Plan 2 member who dies after leaving eligible employment having earned ten years of service credit may request a refund of the member's accumulated contributions. Effective July 22, 2007, said refund (adjusted as needed for specified legal reductions) is increased from 100 percent to 200 percent of the accumulated contributions if the member's death occurs in the uniformed service to the United States while participating in *Operation Enduring Freedom* or *Persian Gulf, Operation Iraqi Freedom*.

PERS Plan 3 has a dual benefit structure. Employer contributions finance a defined benefit component and member contributions finance a defined contribution component. The defined benefit portion provides a monthly benefit that is 1 percent of the AFC per year of service. (AFC is the monthly average of the 60 consecutive highest-paid service months.)

Effective June 7, 2006, PERS Plan 3 members are vested in the defined benefit portion of their plan after ten years of service; or after five years of service, if twelve months of that service are earned after age 44; or after five service credit years earned in PERS Plan 2 prior to June 1, 2003. Plan 3 members are immediately vested in the defined contribution portion of their plan.

Vested Plan 3 members are eligible for normal retirement at age 65, or they may retire early with the following conditions and benefits:

- If they have at least ten service credit years and are 55 years old, the benefit is reduced by an ERF
  that varies with age, for each year before age 65.
- If they have 30 service credit years and are at least 55 years old, they have the choice of a benefit that is reduced by 3 percent for each year before age 65; or a benefit with a smaller (or no) reduction factor (depending on age) that imposes stricter return-to-work rules.

PERS Plan 3 defined benefit retirement benefits are also actuarially reduced to reflect the choice, if made, of a survivor option. There is no cap on years of service credit and Plan 3 provides the same cost-of-living allowance as Plan 2.

PERS Plan 3 defined contribution retirement benefits are solely dependent upon the results of investment activities.

The defined contribution portion can be distributed in accordance with an option selected by the member, either as a lump sum or pursuant to other options authorized by the Director of the Department of Retirement Systems.

PERS Plan 2 and Plan 3 provide disability benefits. There is no minimum amount of service credit required for eligibility. The Plan 2 monthly benefit amount is 2 percent of the AFC per year of service. For Plan 3, the monthly benefit amount is 1 percent of the AFC per year of service.

These disability benefit amounts are actuarially reduced for each year that the member's age is less than 65, and to reflect the choice of a survivor option. There is no cap on years of service credit, and a cost-of-living allowance is granted (based on the Consumer Price Index) capped at 3 percent annually.

PERS Plan 2 and Plan 3 members may have up to ten years of interruptive military service credit; five years at no cost and five years that may be purchased by paying the required contributions. Effective July 24, 2005, a member who becomes totally incapacitated for continued employment while serving the uniformed services, or a surviving spouse or eligible children, may apply for interruptive military service credit. Additionally, PERS Plan 2 and Plan 3 members can also purchase up to 24 months of service credit lost because of an on-the-job injury.

PERS members may also purchase up to five years of additional service credit once eligible for retirement. This credit can only be purchased at the time of retirement and can be used only to provide the member with a monthly annuity that is paid in addition to the member's retirement benefit.

Beneficiaries of a PERS Plan 2 or Plan 3 member with ten years of service who is killed in the course of employment receive retirement benefits without actuarial reduction, if the member was not at normal retirement age at death. This provision applies to any member killed in the course of employment, on or after June 10, 2004, if found eligible by the Department of Labor and Industries.

A one-time duty-related death benefit is provided to the estate (or duly designated nominee) of a PERS member who dies in the line of service as a result of injuries sustained in the course of employment, or if the death resulted from an occupational disease or infection that arose naturally and proximately out of said member's covered employment, if found eligible by the Department of Labor and Industries.

There are 1,197 participating employers in PERS. Membership in PERS consisted of the following as of the latest actuarial valuation date for the plans of June 30, 2010:

Retirees and beneficiaries receive	ing benefits	76,899
Terminated plan members entitle	ed to but not yet receiving benefits	28,860
Active plan members vested		105,521
Active plan members non-veste	d .	51,005
Total		262,285

Funding Policy. Each biennium, the state Pension Funding Council adopts Plan 1 employer contribution rates, Plan 2 employer and employee contribution rates, and Plan 3 employer contribution rates. Employee contribution rates for Plan 1 are established by statute at six percent for state agencies and local government unit employees, and at 7.5 percent for state government elected officers. The employer and employee contribution rates for Plan 2 and the employer contribution rate for Plan 3 are developed by the Office of the State Actuary to fully fund Plan 2 and the defined benefit portion of Plan 3. All employers are required to contribute at the level established by the Legislature. Under PERS Plan 3, employer contributions finance the defined benefit portion of the plan, and member contributions finance the defined contribution portion. The Director of the Department of Retirement Systems sets Plan 3 employee contribution rates. Six rate options are available ranging from 5 percent to 15 percent; two of the options are graduated rates dependent on the employee's age. As a result of the implementation of the Judicial Benefit Multiplier Program in January 2007, a second tier of employer and employee rates was developed to fund, along with investment earnings, the increased retirement benefits of those justices and judges that participate in the program. The methods used to determine the contribution requirements are established under state statute in accordance with Chapters 41.40 and 41.45 RCW.

The Housing Authority's covered payroll for the year ended June 30, 2012 was \$3,804,376. Total gross payroll for the Authority was \$4,197,649.

The required contribution rates expressed as a percentage of current-year covered payroll as of June 30, 2012, were as follows:

	PERS Plan 1 Required	PERS Plan 2 Required	PERS Plan 3 Required
Employer*	7.50%	7.50%	7.25%
Employee	6%****	4.64%	varies****

<sup>\*</sup> The employer rates include the employer administrative expense fee currently set at 0.16%.

\*\*\*\* The employee rate for state elected officials is 7.50% for Plan 1 and 4.64% for Plan 2.

The employer and employee required contributions during the year ended June 30, 2012 were:

	PERS Plan 1 Required	PERS Plan 2 Required	PERS Plan 3 Required	Total
Employer Employee	\$0 0	\$228,761 147,613	\$44,304 33,168	\$273,065 180,781
	\$0	\$376,374	\$77,472	\$453,846

<sup>\*\*</sup> The employer rate for state elected officials is 10.80% for Plan 1 and 7.25% for Plan 2 and Plan 3.

<sup>\*\*\*</sup> Plan 3 defined benefit portion only.

<sup>\*\*\*\*\*</sup> Variable from 5.0% minimum to 15.0% maximum based on rate selected by the PERS 3 member.

Notes to Financial Statements June 30, 2012

The following is a three-year summary of the Authority's employee and employer contributions for payroll covered under PERS:

	Total Covered Payroll	Required Employee Contributions	Required Employer Contributions
2012	\$3,804,376	\$180,781	\$273,065
2011	\$3,865,661	\$162,798	\$205,268
2010	\$3,757,507	\$159,076	\$199,400

# 13 - Deferred Compensation Plan

The Housing Authority offers its employees a deferred compensation plan created in accordance with Internal Revenue Service Code Section 457. The Plan, available to all regular employees, permits them to defer a portion of their salaries until future years. The deferred compensation is not available to employees until termination, retirement, death, or an unforeseeable emergency. The Authority made no contributions to the plan during the year.

All assets of the plan are held in a trust for the exclusive benefit of the participants and their beneficiaries. Investments are managed by the Washington State Department of Retirement Systems. The plan is not included in the Authority's financial statements as the Authority does not hold these assets in a trust capacity.

# 14 - Bill & Melinda Gates Foundation Grant

In July 2005 the Bill & Melinda Gates Foundation provided the Everett Housing Authority with a pass-through \$75,000 grant to be used by the Catholic Community Services (CCS) to provide transitional services to ten families who reside in the Authority's Timber Hill Apartments. In October 2006 an additional \$50,000 was received from the Foundation. Under terms of the grant the Authority holds the funds in trust for the benefit of the CCS. The Authority temporarily invests the funds prior to making annual disbursement of \$10,000 to CCS. In addition to the pass-through grant, the Authority provides Section-8 project based assistance to the ten families residing at the Timber Hill Apartments.

# 15 - Low Income Housing Tax Credit Limited Partnerships (Discretely Presented Component Units)

The low-income housing tax credit program is the result of Federal legislation that allows investors certain tax incentives for investing in low-income housing. Under terms of the federal tax code and extended use agreements with the Washington State Housing Finance Commission, the buildings qualified under the tax credit program must continue to serve the targeted population for a specified number of years after the placed in service date. This compliance period is 30 years for the EHA – Twelve Pines Limited Partnership and 37 years for the Broadway Plaza Limited Liability Limited Partnership. After 15 years, the Authority has the option to purchase the property from the partnership.

Tax Credit Limited Partnerships are created to finance the purchase and remodeling of affordable housing. The Authority acts as General Partner of each partnership. Although each Tax Credit Limited Partnership is structured differently, they are generally financed via loans to the partnership, contributions of equity by the general and limited partners, and other sources. In some transactions, the Authority issues bonds, and loans the proceeds to the Tax Credit Limited Partnership. Tax-exempt bond issuances are secured by the underlying partnership real estate and, in some cases, by the general revenues of the Authority. The bonds and notes payable are offset by notes receivable from the partnerships. The partnerships make payments to the Authority for debt service. The Authority may receive grant funds or other loans to assist in purchasing

Notes to Financial Statements June 30, 2012

the properties and in preserving affordability within the projects. Because of limitations imposed by the Internal Revenue Service, all such funds are received by the Authority and lent to the partnerships. These funds are accounted for as notes receivable from the partnerships. The Authority's long-term debt, including debt pertaining to the tax credit partnerships, is reflected in Note 8. A summary of notes receivable from the partnerships is reflected in Note 5.

The Authority typically earns a developer's fee for its role in bringing the project to fruition. These fees are earned based on certain events or dates relative to the development of the project. Developer fees are paid primarily from development proceeds and available cash flows. Under the various partnership agreements, developer fees, which are not paid during the construction phase, are generally required to be paid within 15 years of the project having been placed in service, along with accrued interest on unpaid balances. The authority was paid \$38,385 in fees due under the developer fee note with EHA-Twelve Pines Limited Partnership. At June 30, 2012, the balance of the development fees owed to the Authority by EHA-Twelve Pines Limited Partnership is \$263,411. This tax credit project also pays a General Partner's management fee; this fee is reflected in other operating revenues and totaled \$7,830 in 2012.

The responsibility for the management of the affairs of both partnerships is vested with the Everett Housing Authority as the general partner. Both component units have a December 31 year end. Both component units December 31, 2011 financial statements are included as a part of the Authority's basic financial statements. The complete financial statements of the EHA–Twelve Pines Limited Partnership and the Broadway Plaza Limited Liability Limited Partnership can be obtained from the Executive Director of the Everett Housing Authority, P.O. Box 1547, Everett, WA 98206.

# EHA-Twelve Pines Limited Partnership

EHA-Twelve Pines Limited Partnership was formed in July 1999 for the purpose of acquiring and renovating an 80-unit apartment complex located in Everett, Washington. On October 1, 2000, a tax credit investor was admitted to the partnership as a 99.99% limited partner. The partnership agreement provides for termination of the partnership in 2097. The Authority serves as the sole general partner, retaining a 0.01% ownership interest. The Authority is obligated to fund an operating deficit without limitation as to amount. The Authority has leased the project to the limited partnership for a nominal amount under a non-cancelable financing lease. The Authority has certain rights and responsibilities which enable it to impose its will on the limited partnership due to its significant influence as the general partner and also its financial relationships with the partnership.

# Broadway Plaza Limited Liability Limited Partnership

The Broadway Plaza Limited Liability Limited Partnership is a legally separate entity formed on May 12, 2011 to use low-income housing tax credits in combination with other financing instruments to finance the planned rehabilitation of the Broadway Plaza Apartments. On June 29, 2011, a tax credit investor was admitted to the partnership as a 99.99% limited partner. The Authority serves as the sole general partner, retaining a .01% ownership interest. The Authority has leased the project consisting of two apartment buildings, Broadway Plaza East and Broadway Plaza West, to the partnership, Broadway Plaza LLLP for a nominal amount under a non-cancelable financing lease. The Authority will at all times hold legal title to the project and will be the owner of the property and the property improvements for state law purposes. However, the partnership is entitled to all federal tax attributes of the owner of the project. The Authority has certain rights and responsibilities which enable it to impose its will on the limited partnership due to its significant influence as the general partner and also its financial relationships with the partnership

The financing for the acquisition and rehabilitation of the project was secured through a combination of housing revenue bonds issued by the Authority in the aggregate principal amount of \$7,000,000, a seller financed note of up to \$9,875,000, a deferred developer fee of \$1,072,668, and an estimated limited partner capital contribution of approximately \$5,798,736. Also on June 29, 2011, the Authority executed a non-revolving line of credit revenue note, in the principal amount not to exceed

\$5,500,000 to provide interim financing for the rehabilitation of the 190-unit apartment complex. At June 30, 2012 the outstanding balance of this line of credit was \$2,702,000. This note is anticipated to be repaid from the limited partner's capital contribution. The estimated total cost for acquisition and rehabilitation of the project is \$23,746,404.

Under terms of the agreement, the Partnership will lease the 190-unit apartment complex from the Authority for a period not to exceed 100 years and will continue to provide housing for low income seniors and disabled individuals. The lease agreement provides that the Partnership will acquire a leasehold estate (a financing lease) in the apartment complex upon payment of a "Leasehold Acquisition Fee" of \$14,980,000. On June 29, 2011 the leasehold acquisition fee was paid to the Authority through a combination of cash from the proceeds of the bond sale plus a seller financed promissory note.

Also on June 29, 2011 Broadway Plaza LLLP executed a Bond Mortgage Note for \$7,000,000 to the benefit of the Authority for the repayment of the housing revenue bonds issued by the Authority. The Bond Mortgage Note is secured solely by the mortgaged property including the land and the project rents. The Authority has assigned the Bond Mortgage Note to the Bond Trustee. No general revenue pledge has been issued by the Authority for the repayment of the bonds.

The Partnership will also assume responsibility for the repayment of the \$5,500,000 non-revolving line of credit revenue note to be used for the rehabilitation of the apartment complex during the next 18 months. A general revenue pledge was issued by the Authority for this interim "bridge" loan. In addition, the Authority agreed to maintain a minimum of \$5,000,000 in unrestricted General Revenue Funds Cash and Equivalents during the life of the note.

The Partnership will also be obligated to pay a \$2,100,000 developer fee to the Authority for its services in connection with the development and rehabilitation of the apartment complex. The partnership agreement provides for the payment of the developer fee partially from the Limited Partner's capital contribution and the balance from future available cash flows of the project. In the event the developer fee is not fully paid by the thirteenth anniversary of the completion date, the Authority agrees to make a capital contribution in an amount sufficient to enable the Partnership to pay the developer fee in full. The Authority had earned \$1,878,000 of the developer fee as of June 30, 2012.

Upon completion of the rehabilitation and the receipt of low-income housing tax credits issued by the Washington State Housing Finance Commission, as well as the satisfaction by the General Partner of certain conditions contained in the partnership agreement, the Investment Limited Partner will make a capital contribution to the Partnership in the estimated amount of \$5,798,736.

# 16 - Contingencies

The Authority is a party to various legal proceedings which seek damages or injunctive relief generally incidental to its operations and pending projects. The Authority's management is of the opinion that the ultimate disposition of various claims and legal proceedings will not have a material effect, if any, on the financial condition of the Authority.

Under the terms of federal grants, periodic audits are required and certain costs may be questioned as not being appropriate expenses under the terms of the grants. Any disallowed costs may constitute a liability of the applicable funds. The amount, if any, of expenses which may be disallowed by the grantor cannot be determined at this time, although the Authority expects such amounts, if any, to be immaterial.

# HOUSING AUTHORITY OF THE CITY OF EVERETT Notes to the Supplemental Schedule of Expenditures of Federal Awards

# 1. Basis of Presentation

The accompanying Supplemental Schedule of Expenditures of Federal Awards (The "Schedule") presents the activity of all federal financial assistance programs of the Everett Housing Authority (the "Authority"). The Authority's reporting entity is defined in Note 1 to the Authority's financial statements. All federal financial assistance received directly from the federal government as well as federal financial assistance that is passed through to other governmental agencies is required to be included on the Schedule.

The information presented in the Schedule is presented in accordance with the requirements of OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. Catalog of Federal Domestic Assistance ("CFDA") Numbers are presented for each federal grant.

Revenue and expenses are presented on an accrual basis of accounting with the exception of fixed assets and depreciation. For purposes of the Schedule, depreciation expense is not recorded and the cost of fixed asset additions is included as an expenditure.

## 2. Program Costs

The amounts shown on the Schedule are for current year expenditures and represent only the federal portion of the actual program costs. Actual program costs, including the Authority's portion, may be more than shown.

### 3. Federal Loans

In November, 2009, the Authority was approved by the City of Everett to receive a loan totaling \$500,000 to assist in the acquisition of Madison Villa Apartments, a 22 unit housing complex added to the authority's affordable housing portfolio. The amount shown on the Schedule includes the outstanding loan balance from prior years.

# HOUSING AUTHORITY OF THE CITY OF EVERETT Notes to Supplemental Segment Information - Unaudited

The Housing Authority issues separate revenue bonds and other debt to finance the acquisition, rehabilitation, and construction of housing and community development projects. The financial activities for these projects are reported with other Business-Type Activities in the Primary Government Financial Statements. However, investors in the revenue bonds and lenders rely solely on the revenue generated by the individual activities of these projects for repayment. Therefore, a summary of the financial information for activities that meet these criteria is presented on the previous page.

# **ABOUT THE STATE AUDITOR'S OFFICE**

**T**he State Auditor's Office is established in the state's Constitution and is part of the executive branch of state government. The State Auditor is elected by the citizens of Washington and serves four-year terms.

Our mission is to work with our audit clients and citizens as an advocate for government accountability. As an elected agency, the State Auditor's Office has the independence necessary to objectively perform audits and investigations. Our audits are designed to comply with professional standards as well as to satisfy the requirements of federal, state, and local laws.

The State Auditor's Office employees are located around the state to deliver services effectively and efficiently.

Our audits look at financial information and compliance with state, federal and local laws on the part of all local governments, including schools, and all state agencies, including institutions of higher education. In addition, we conduct performance audits of state agencies and local governments and fraud, whistleblower and citizen hotline investigations.

The results of our work are widely distributed through a variety of reports, which are available on our Web site and through our free, electronic subscription service.

We take our role as partners in accountability seriously. We provide training and technical assistance to governments and have an extensive quality assurance program.
